

HARLEY LANGDALE, JR. COLLEGE OF BUSINESS ADMINISTRATION

*Dr. L. Wayne Plumly, Jr., Dean
Health Sciences and Business Administration Building 3002A*

*Dr. Mel E. Schnake, Director of Graduate Programs
Health Sciences and Business Administration Building 3002P*

The Harley Langdale, Jr. College of Business Administration at Valdosta State University offers a Master of Business Administration (MBA) program with tracks in General Business and in Healthcare Administration and a Master of Accountancy (MAcc) program. With six other AACSB-accredited business schools in Georgia, the Langdale College also offers a collaborative, web-based Master of Business Administration (WebMBA) program. Valdosta State University graduates from both programs receive the same VSU Master of Business Administration degree.

The MBA and WebMBA programs are designed to offer graduate business education that prepares graduates for management careers in both for-profit and not-for-profit organizations. The programs integrate knowledge of the functional areas of business with ongoing developments in business practice. Furthermore, the programs seek to develop students' critical thinking, problem-solving, and communication skills; their appreciation for diverse cultural perspectives; and their ability to solve real-world business problems.

The Healthcare Administration track of the MBA provides an opportunity for medical professionals and those interested in the medical profession to acquire business knowledge so that they may advance in their careers and/or move into administrative positions.

The MAcc is a specialized graduate degree that prepares its graduates for careers in accounting. The program integrates accounting knowledge within the broader context of the other functional areas of business. The MAcc program seeks to develop students' critical thinking, problem-solving, communication, and technology skills.

The MAcc, MBA, and WebMBA programs are fully accredited by AACSB International—The Association to Advance Collegiate Schools of Business, the premier national accrediting agency for programs in business administration. This accreditation places the Langdale College in the top 5% of all business schools worldwide.

The Langdale College, on VSU's Steel North Campus, has state-of-the-art facilities including multi-media classrooms, a student computer lab, and two computer teaching classrooms.

Prior to admission to any graduate program at Valdosta State University, applicants must first submit a completed application packet to the Graduate School. A completed application packet includes official transcripts from all institutions previously attended, official test scores (GMAT or GRE), completed application form, fee, and any additional program requirements submitted by the admission deadline. To be considered for the preferred term, all required materials must be received by the Graduate School no later than the close of business on the deadline. It is the responsibility of the applicant to allow adequate time for document submission and to ensure receipt of documents.

ADMISSION REQUIREMENTS FOR THE MBA PROGRAM

Applicants must have completed the following four prerequisites before being admitted to the program:

Course	VSU Course Number
Principles of Accounting I	ACCT 2101
Principles of Accounting II	ACCT 2102
Applied Business Statistics	BUSA 2100
Financial Management	FIN 3350

These prerequisites may be satisfied by taking an on-campus course from an accredited college or university or by completing self-paced CD modules developed for this purpose.

Admission requirements include a minimum GMAT score of 400, a minimum GPA of 2.50, and a minimum of 950 points using the formula: GMAT score + (200 x GPA). In lieu of the GMAT, applicants may submit GRE scores. Minimum GRE scores are 146 Verbal and 142 Quantitative.

The MBA committee will consider waiving the GMAT/GRE test requirement under either of two conditions:

- The applicant has substantial/managerial experience (minimum 7 years); or
- The applicant already holds a master's degree or higher from an accredited college or university.

To be considered for a test waiver, e-mail Dr. Schnake (mschnake@valdosta.edu) and attach copies of your transcript(s) and a detailed resume.

GEORGIA WebMBA® PROGRAM

“Georgia’s MBA for the New Millennium”

The collaborative, web-based Master of Business Administration (WebMBA) program is offered by six AACSB-accredited business schools in Georgia (Valdosta State University, Columbus State University, Kennesaw State University, Georgia College and State University, Georgia Southern University, and University of West Georgia). The purpose of this program is to enhance the graduate educational opportunities for working business professionals in Georgia. To view the Georgia WebMBA Consortium Web Site, please see www.webmbaonline.org.

All six schools admit students, who participate in a common curriculum. Each WebMBA consortium school provides faculty who are academically or professionally qualified. The faculty members for this program are among the strongest graduate faculty for each school in terms of teaching, research, and business experience.

A new WebMBA cohort is admitted each fall semester. Two WebMBA courses will be offered each semester, including summer terms. A student may complete the entire program in five semesters.

WEB MBA LEARNING GOALS

1. **Analysis:** Graduate students will analyze and evaluate alternative courses of action using appropriate qualitative and quantitative tools to support organizational decision making.
2. **Application:** Graduate students will be able to evaluate the utility of business concepts and apply them in specific situations.
3. **Ethics and Social Impact:** Graduate students will recognize and assess the ethical and social dimensions of business activities and evaluate their impact on business decisions.
4. **Information Technology:** Graduate students will evaluate and appropriately use information technology to enhance personal and organizational effectiveness.
5. **Integration:** Graduate students will solve problems and make decisions that integrate multiple business functions across a broad range of situations.
6. **Leadership:** Graduate students will integrate effective interpersonal skills with organizational leadership abilities.

EXAMPLES OF GOAL ASSESSMENTS

1. Students complete knowledge test related to relevant learning objectives for each course.
2. Students complete class exercises, and group projects and present cases in oral and written form.
3. Faculty observe and rate students on teamwork and leadership skills.

COLLEGE OF THE ARTS

*Mr. A. Blake Pearce, Dean
2273 Fine Arts Building*

Dr. Carl Cates Assistant Dean
Mr. Michael T. Schmidt Interim Head, Department of Art
Dr. Ray Young Interim Head, Department of Communication Arts
Dr. Douglas Farwell Interim Head, Department of Music

The Valdosta State University College of the Arts includes the Department of Art, the Department of Communication Arts, and the Department of Music. The organization of the disciplines of the performing and visual arts into one academic unit reflects a traditional and continuing commitment to scholarship in the fine arts.

The College of the Arts offers graduate degree programs with majors in communication and music education in cooperation with the College of Education and Human Services. The graduate faculty members of the College of the Arts maintain the strong belief that their teaching role is a significant aspect of their professional life. Arts faculty members also maintain a strong commitment to scholarly and creative research as well as service to the institution, region, and their profession.

The mission of the College of the Arts centers on the preparation of professionals for a variety of roles in the arts. At the graduate level, the Master of Arts in Communication degree program prepares students for study at the doctoral level and for advancement in their professional fields. The Master of Music Education program prepares teachers in these disciplines to be leaders in their schools and provide substantial learning for the students in their care. The Master of Music Performance is a 36-semester-hour, non-thesis master's degree program intended to further the musical and academic skills of accomplished musicians.

The College of the Arts provides numerous cultural and artistic opportunities for students including theater, dance, Valdosta Symphony Orchestra, jazz band, media production, and art exhibitions. The college is also home to VSU-TV, the University's cable-access channel. The Valdosta State University College of the Arts is an accredited institutional member of the National Association of Schools of Art and Design, the National Association of Schools of Music, the National Association of Schools of Theater, the Southern Association of Colleges and Schools, and the National Council for Accreditation of Teacher Education.

Department of Communication Arts

*Dr. Ray Young, Interim Head
Room 1011, Nevins Hall*

The Department of Communication Arts offers a graduate program that leads to a Master of Arts in Communication (M.A.C.). Majors in speech communication and mass media are available, and both majors share a common core of four courses in theory and research methods. The M.A.C. prepares students for study at the doctoral level and for advancement in their professional fields. Students studying speech communication will be educated in the advanced theory and practice of communication in such areas as interpersonal, intercultural, and organizational communication, in addition to conflict management and advanced presentational skills. Students studying mass media will be educated in the theory and practice of media economics and management, law and ethics, and digital communication. Thesis/project and non-thesis options are available. These programs seek to enhance students' communication, critical thinking, problem-solving skills, and leadership potential, as well as their appreciation for cultural diversity.

SELECTED EDUCATIONAL OUTCOMES FOR SPEECH COMMUNICATION

1. To demonstrate the ability to develop research questions in the field of communication, design research methodologies using qualitative or quantitative methods, conduct research, and report findings.
2. To demonstrate competency in the knowledge of general communication theory and, more specifically, interpersonal, organizational, conflict resolution, and intercultural communication theories.
3. To produce systematic and thoroughly researched work appropriate to the discipline.
4. To demonstrate competency in professional communication skills in a variety of settings including public speaking, speechwriting, group leadership, and interviewing in a manner that is culturally sensitive.
5. To demonstrate the development and refinement of critical thinking abilities in communication.
6. To participate in activities related to the profession.

OUTCOME ASSESSMENTS FOR SPEECH COMMUNICATION

The department assesses the extent to which the program requirements create the desired outcomes by using a variety of techniques.

1. The policy of the Department of Communication Arts is that all graduate courses, other than skills courses, require such written work as essays and research papers to help determine progress in research and written communication skills, analytical and interpretive skills, and mastery of course content.
2. For graduate skills courses, students must demonstrate competency through written projects and performance of skills learned, in addition to assessing the performance of others.
3. The comprehensive written and oral examinations to which students not selecting the thesis option are subject prior to graduation evaluate the students' ability to integrate and apply information and skills learned in the program of study. They also measure the effectiveness of the program in teaching essential concepts.
4. Program graduates demonstrate their collaborative efforts through reports and presentations throughout the program. They are assessed by direct observation by department faculty.
5. Students not selecting the comprehensive examination option will complete a thesis that will be evaluated by department faculty.
6. When available, university-wide data pertaining to the program and its graduates will be used for assessment and improvement.

SELECTED EDUCATIONAL OUTCOMES FOR MASS MEDIA

1. To demonstrate the ability to develop research questions in the field of media, design research methodologies using qualitative or quantitative methods, conduct research, and report findings.
2. To demonstrate competency in the knowledge of general mass media theory, and, more specifically, the application of media theory and its impact and ramifications upon society.
3. To produce systematic and thoroughly researched work appropriate to the discipline.
4. To demonstrate competency in professional media industries in a variety of settings including content production, analysis, and audience response.
5. To participate in activities related to the profession.

OUTCOME ASSESSMENTS FOR MASS MEDIA

The department assesses the extent to which the program requirements create the desired outcomes by using a variety of techniques.

1. The policy of the Department of Communication Arts is that all graduate courses, other than skills courses, require such written work as essays and research papers to help determine progress in research and written communication skills, analytical and interpretive skills, and mastery of course content.
2. For graduate skills courses, students must demonstrate competency through written projects and performance of skills learned, in addition to performing assessments on the performance of others.
3. The comprehensive written and oral examinations to which students not selecting the thesis option are subject prior to graduation evaluate the students' ability to integrate and apply information and skills learned in the program of study. It also measures the effectiveness of the program in teaching essential concepts.
4. Program graduates demonstrate their collaborative efforts through reports, field-based projects, and presentations throughout the program. They are assessed by direct observation by department faculty and by documentation in a professional portfolio.
5. Students not selecting the comprehensive examination option in the graduate program will complete a thesis that will be evaluated by departmental faculty.
6. When available, university-wide data pertaining to the program and its graduates will be used for assessment and improvement.

Prior to admission to any graduate program at Valdosta State University, applicants must first submit a completed application to the Graduate School. A completed application packet includes official transcripts from all institutions previously attended, official test scores (GRE or MAT), completed application packet, fee, and any additional program requirements submitted by the admission deadline. To be considered for your preferred term, all required materials must be received by the Graduate School no later than the close of business on the deadline. It is the responsibility of the applicant to allow adequate time for document submission and to ensure receipt of documents.

COLLEGE OF NURSING AND HEALTH SCIENCES

Dean's Office

4002E Health Sciences and Business Administration Building

The College of Nursing and Health Sciences offers a program that leads to a Master of Science in Nursing (M.S.N.) degree.

Master's nursing education builds on baccalaureate nursing education and prepares nurses for specialized clinical roles. The M.S.N. program offers three clinical tracks: Advanced Nursing of Growing Families, Advanced Nursing of Adults, and Psychiatric/Mental Health Nursing. Four role options are available to graduate students: Care Manager, Nurse Practitioner, Nurse Educator, and Nurse Administrator. Graduate students must select one clinical track and one role option. The College offers a special curriculum for Registered Nurse applicants leading to the B.S.N. or to both the B.S.N. and M.S.N. Please contact the College directly for information about this accelerated curriculum. Both the bachelor's degree (B.S.N.) and the master's degree (M.S.N.) programs in the College of Nursing and Health Sciences are accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC 20036. Telephone 202-887-6791; Fax 202-887-8476. Questions about accreditation status may be addressed to this organization.

All students take a common core before entering the clinical and role options. The common core includes pathophysiology, research, theory, and an issues seminar.

MSN PROGRAM OBJECTIVES

1. Synthesize knowledge from a variety of evidence (conceptual models and theories from nursing and related disciplines, practice wisdom, and ethics) in advanced nursing practice.
2. Employ scientific inquiry and other ways of knowing to validate, refine, and develop knowledge relevant to advanced nursing practice and the delivery of health care services.
3. Effect health policy and promote change through leadership, innovation, and management expertise.
4. Practice advanced nursing in collaborative relationships across disciplines and with communities.
5. Demonstrate health care informatics literacy within the context of advanced nursing practice.
6. Promote culturally competent systems that reflect the global context of health.
7. Implement strategies for ongoing personal and advanced professional development through professional involvement, lifelong learning, and fostering an appreciation for doctoral study.

EXAMPLES OF OUTCOME ASSESSMENTS

1. Each student must pass a comprehensive examination which tests communication, critical thinking, advanced discipline knowledge, and the ability to synthesize.
2. Each student must demonstrate application of theory, practice, knowledge, critical thinking, and problem solving by completion of a thesis or project.

MASTER OF SCIENCE IN NURSING

Prior to admission to any graduate program at Valdosta State University, applicants must first submit a completed application packet to the Graduate School. A completed application packet includes official transcripts from all institutions previously attended, official test scores (GRE or MAT), completed application form, fee, and any additional program requirements (listed below), submitted by the admission deadline. To be considered for the preferred term, all required materials must be received by the Graduate School no later than the close of business on the deadline. It is the responsibility of the applicant to allow adequate time for document submission and to ensure receipt of documents.

Admission Deadlines

Fall Deadline:	July 15
Spring Deadline	November 15
Summer Deadline:	April 15

PROGRAM ADMISSION REQUIREMENTS

To be considered for admission to the Master of Science in Nursing program, an applicant must have:

1. graduated from a NLNAC-accredited or CCNE-accredited Bachelor of Science in Nursing program.
2. a GPA of 3.0 or higher on a 4.0 point scale.
3. minimum scores on the Graduate Record Examination (GRE) of 400 (if taken before November 2011) or 146 (if taken after November 2011) on the verbal section and 3.5 on the analytical writing section. A Miller Analogies Test score of 400 or higher (or equivalent) will be accepted as an alternative to the GRE.
4. evidence of Georgia licensure as a registered nurse.
5. three letters of recommendation from persons whose observations of the applicant's character and abilities are current. Letters of recommendation must be accompanied by the required General Graduate Recommendation Form.

NOTE: Admission to regular graduate status requires completion of a graduate-level statistics course.

PROGRAM CONSIDERATIONS FOR PROBATIONARY STATUS

Students must be recommended for Probationary status by the College of Nursing and Health Sciences Graduate Faculty. To be reclassified as Regular status, probationary students must, at a minimum, maintain a 3.0 grade point average in the first 9 semester hours of graduate coursework and meet any and all contingencies and conditions set forth by the College of Nursing and Health Sciences.

PROGRAM RETENTION, DISMISSAL, AND READMISSION POLICIES

1. Students must have documentation of current malpractice insurance of \$1,000,000/\$3,000,000.
2. Students must have documentation of current health and accident insurance.
3. Students must have documentation of current certification in American Heart Association Healthcare Provider CPR.
4. Students must maintain current licensure as a Registered Nurse in the State of Georgia.
5. Students must provide evidence of current health status:
 - a. Current physical examination (by a medical physician or nurse practitioner) on admission, affirming that they are free from communicable disease and able to function safely in a clinical environment.
 - b. Immunizations: Documentation must include but is not limited to MMR (measles, mumps, rubella), tetanus toxoid, varicella titer, hepatitis-B vaccination, and PPD tuberculin test as required by affiliating clinical agencies.

- i. MMR, serologic evidence of immunity or prior vaccination.
 - ii. Tetanus toxoid must remain up to date during tenure in the College of Nursing and Health Sciences. The CDC recommendations for healthcare personnel are utilized by our clinical agencies. Adults who have completed a primary series of a tetanus/diphtheria-containing product (DTP, DTaP, DT, Td) should receive Td boosters every 10 years. Students younger than age 65 years with direct patient contact should be given a 1-time dose of Tdap, if Td booster is scheduled prior to admission or during tenure in the College of Nursing and Health Sciences.
 - iii. Varicella (chickenpox) requires serologic proof of immunity, prior vaccination, or documented history of varicella disease.
 - iv. Hepatitis-B vaccination or proof of immunity (anti-HBs at least 10 mIU/ml) is required. Students who initiate the recommended series for admission must provide proof of maintaining scheduled 3-dose series (dose #1 now, #2 in 1 month, #3 approximately 5 months after #2).
 - v. PPD (tuberculin skin test) is required annually or proof of a negative chest X-ray (every 5 years).
 - vi. Influenza vaccine annually is recommended, but not required.
6. Students may be subject to background check and drug screening at any point during the program.
 7. Students must have a minimum grade of “B” in all nursing courses.
 8. Students must have a cumulative GPA of 3.0 for all graduate courses.
 9. Students receiving two grades of “C” or below (“D,” “F,” “WF,” or “U”) will be dismissed from the program.
 10. If dismissed from the program, the student must wait a minimum of one calendar year and obtain approval from the academic department before applying for readmission. The academic program reserves the right to place specific conditions and contingencies on any offer of readmission. Readmission is not guaranteed, and prior academic performance and conduct in the program will be considered.
 11. The maximum time allowed for completion of the master’s degree is 7 calendar years. No work completed more than 7 years prior to degree completion will be accepted toward the degree, except with special permission from the student’s major professor and the Dean of the College of Nursing and Health Sciences, and approval from the Dean of the Graduate School.
 12. No more than 9 semester hours of academic work may be transferred from another institution into a master’s-level graduate program. This credit must be documented in the form of an official transcript at the time of admission. Transfer credit will be evaluated after admission, by the academic department. To be eligible, credit must be no more than 7 years old prior to completion of the degree.

PROGRAM GRADUATION REQUIREMENTS

1. Students must complete an application for graduation one semester prior to their expected graduation date.
2. A 3.0 cumulative grade point average (GPA) is required for graduation. No grade below a “C” will be credited toward the degree.
3. Satisfactory completion of the comprehensive examination.
