

COLLEGE OF BUSINESS ADMINISTRATION

Dr. Kenneth L. Stanley, Dean

The three departments within the College of Business Administration offer the Bachelor of Business Administration (BBA) with a major in accounting, finance, economics, marketing, or management, and the Bachelor of Arts with a major in economics. The Master of Business Administration (MBA) degree and the Master of Accounting (MAcc) degree are available to graduate students.

Mission Statement

The College of Business Administration at Valdosta State University is dedicated to providing high quality education in the region. We strive to excel primarily as a teaching institution offering degree programs that enhance our students' ability to succeed in their professional careers. High quality education also encompasses research and service to the University, the region, and the academic profession.

Undergraduate Program Objectives

1. To provide specialized skills and knowledge in one or more of the functional areas of business;
2. To provide an overall understanding of the regional, national, and global environments within which businesses operate;
3. To develop analytical, critical thinking, and problem-solving skills;
4. To enhance oral and written communication skills;
5. To develop an understanding of technology and the effects of technological change;
6. To develop an understanding of the legal and ethical responsibilities of business people and of the importance of cultural diversity;
7. To develop an understanding of the principles of leadership and to develop skills associated with leadership;
8. To develop an understanding of the role of quality in global competitiveness; and
9. To instill a commitment to learning as a life-long activity.

ACCREDITATION AND CO-OP OPPORTUNITIES

The programs of the College of Business Administration are accredited by the American Assembly of Collegiate Schools of Business (AACSB). Fewer than one-third of the business programs in the United States have achieved this distinction of quality.

Students majoring in areas within the College of Business Administration have the opportunity to gain work experience relating to their major, clarify their career goals, and earn money to help finance their education through the VSU Co-op Program. Students are placed, on a competitive basis, in work assignments with major employers in business, industry, and government. Scheduling options include the traditional full-time alternating plan as well as the parallel or part-time program. Interested students should contact the VSU Office of Cooperative Education, telephone (912) 333-7172.

REQUIREMENTS FOR ADMISSION TO THE COLLEGE OF BUSINESS ADMINISTRATION

Freshmen and sophomore students who declare their intention to pursue one of the majors in Business Administration may be accepted for advising by Business Administration faculty members.

All students who wish to pursue a degree in Business Administration beyond their sophomore year must be accepted to the senior college of the College of Business Administration. Students who meet the following criteria are accepted.

1. Completion of all junior college requirements of the College of Business Administration.
2. Successful completion of both parts of the Regent's Testing Program (RGTR 0196 and RGTR 0197).
3. A cumulative GPA of at least 2.00.
4. A minimum grade of "C" in all courses in Area F of the junior college core curriculum.

Students majoring in fields outside the College of Business Administration may enroll in 3000- and 4000-level business courses only if: (a) they have completed at least 60 semester hours prior to the current quarter of enrollment, (b) they have completed Area F of the B.B.A. curriculum (ACCT 2101, ACCT 2102, ECON 2105, ECON 2106, BUSA 2106, and either CISM 2201 or CS 1000), and (c) they have met the specific prerequisites for the course as listed in the course description. Exceptions to this policy must be approved by the course instructor and the Dean or Associate Dean of the College of Business Administration. Students not majoring in business are limited to 30 semester hours in business courses, including course work transferred from other institutions.

ACADEMIC REQUIREMENTS

Business majors are required to earn minimum grades of “C” in all common senior core courses and in all required courses related to their majors. Business majors must have a minimum cumulative GPA of 2.00 to graduate from the College of Business Administration.

College of Business Administration freshmen and transfer students who have less than a 2.0 GPA and who are placed on Academic Probation at the end of their first semester at VSU will be required to enroll in remedial workshops taught by the College of Business Administration Student Advising Center. Failure to enroll in the remedial workshops will result in dismissal from the College of Business Administration. The purpose of these workshops is to help improve students’ study skills and test-taking skills and to assist them with time management and stress management.

MINIMUM REQUIREMENTS FOR THE BACHELOR OF BUSINESS ADMINISTRATION DEGREE

All departmental majors leading to the Bachelor of Business Administration degree have the following Core Curriculum:

Core Curriculum Requirements for the Bachelor of Business Administration Degrees

DEPARTMENT OF ACCOUNTING AND FINANCE

Dr. Peter M. Bergevin, Head

Room 216, Pound Hall

The Department of Accounting and Finance is a multidisciplinary department with programs that lead to a B.B.A. degree in Accounting, a B.B.A. degree in Finance, and a M.Acc. degree in Accounting.

The programs of the Department are designed to give the student the basic knowledge, skills, and values that build upon the foundation provided by the University Core Curriculum and are required for professional careers in business and not-for-profit organizations. Each program stresses critical thinking skills, cooperative learning, oral and written communication abilities, and the application of knowledge to solve business problems. Undergraduate students are able to gain relevant work experience in their major through the VSU Co-op Program and independent internships.

The courses in the undergraduate accounting program: (1) provide an understanding of the importance of accounting systems and financial disclosures for profit-seeking entities and not-for-profit organizations; (2) teach students how to acquire, process, and analyze information; (3) provide rigorous preparation for accounting careers in industry, government, and public practice.

The courses in the finance program: (1) provide an understanding of the importance of financial information and decision-making for businesses, government, investors, and creditors; (2) teach students how to acquire, process, and analyze information; (3) provide rigorous training for finance careers in industry, financial institutions, and government.

DEPARTMENT OF MANAGEMENT AND INFORMATION SYSTEMS

Dr. John Oliver, Head
Room 206, Pound Hall

The Department of Management and Information Systems offers the Bachelor of Business Administration degree (BBA) with a major in Management. The department also offers courses in the Master of Business Administration (MBA) degree program. There is no major in Information Systems, and no minors are offered.

The Management major is designed to give the student the basic knowledge, skills, and values of management that build upon the foundation provided by the University Core Curriculum and that are required for professional careers in management. Moreover, through a series of sequenced courses, the Department prepares the student for more advanced study in management. The Department's programs adhere to a systemic approach which emphasizes the connections between the individual, organization systems, and the environment. The Department's programs stress the importance of critical thinking skills, an appreciation of diverse cultural perspectives, and the application of knowledge to address policy disputes and social issues. The program in management is designed to prepare students for careers in business management..
