Valdosta State University has not made a determination that its program curriculum meets the education requirements for licensure or certification in the other 49 states, U.S. Territories, and District of Columbia. Each state/jurisdiction is responsible for its own certification/licensure requirements, which may change without notice. Applicants are encouraged to visit the [Teacher Education Listing from NC-SARA](#) for the most current state education board/agency contact information and to obtain accurate information about a specific state's licensure and certification requirements.
