# Assignments in BlazeVIEW

Locating Assignments

1. To view your class assignments, click on **Assessments** in your navbar and choose **Assignments**.

2. Your assignments will be listed on the **Assignments** page, along with completion status and due date. Once it has been graded, you will also see the score and evaluation status.

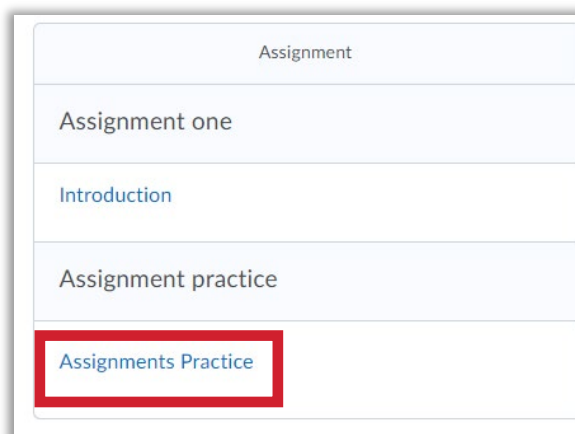

3. Click the assignment title for the assignment you wish to complete.
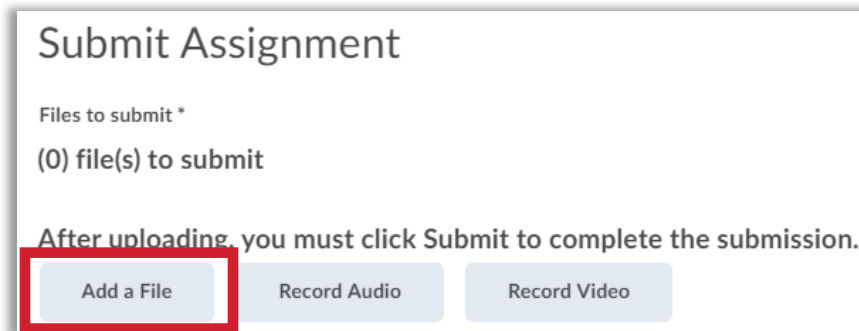

Submitting Assignments

Assignments can be completed as a file or text submission. Your professor will specify how the assignment should be submitted.

File Submission

1. To submit a file, click **Add a File**.

2. Drag a file from your computer to the indicated square or click **Upload** and select the file you wish to upload from your computer.

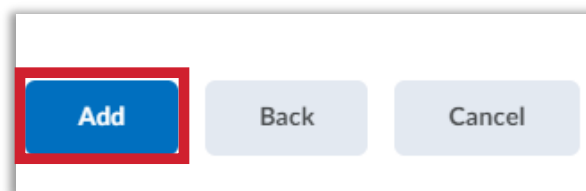

3. Once you have located your file, click **Add** to attach the file to your submission.

4. If you want to include additional information for your instructor with your submission, enter them in the **Comments** field, then click **Submit.**

After uploading, you must click Submit to complete the submission.
