ACADEMIC COMMITTEE
AGENDA
March 9, 2020

1. Minutes of the February 10, 2020 meeting. (pages 1-3) were approved by email February 17, 2020.
2. **UNIVERSITY HONORS COLLEGE**
 - a. Revised college narrative and certificate requirements (pages 4-8)
3. **COLLEGE OF NURSING AND HEALTH SCIENCES**
 - a. Revised degree narrative and degree requirements for the MSN (pages 9-17)
 - b. Revised college narrative (pages 18-21)
4. **COLLEGE OF HUMANITIES AND SOCIAL SCIENCES**
 - a. Revised admission requirements for the MAT in Foreign Language Education (French or Spanish) (pages 22-24)
 - b. Revised graduation requirements for the MAT in English to Speakers of Other Languages and the MAT in Foreign Language Education (pages 25-26)
 - c. Revised admission requirements for the MAT in English to Speakers of Other Languages (pages 27-29)
5. **COLLEGE OF BUSINESS**
 - a. Revised degree requirements for the BBA in International Business (pages 30-31)
 - b. Revised degree requirements for the BBA in Accounting (pages 32-33)
 - c. New course ACCT 2999 (pages 34-36)
6. **COLLEGE OF SCIENCE AND MATHEMATICS**
 - a. Revised degree requirements for the BA in Mathematics-Secondary Education Track (pages 37-38)
 - b. Revised degree requirements for the BS in Computer Science – New Track – Cyber Security (pages 39-42)
 - c. Revised degree requirements for the BS in Computer Information Systems – New Track – Cyber Security (pages 43-46)
 - d. New course CS 4625 (pages 47-51)
 - e. New course CS 4635 (pages 52-56)
7. **COLLEGE OF EDUCATION AND HUMAN SERVICES**
 - a. Revised degree requirements for the EDD in Adult and Career Education (pages 57-58)
 - b. Revised Outcome Assessments for the MLIS degree (pages 59-60)
 - c. Revised degree requirements for the EDD in Leadership (pages 61-63)
 - d. Revised degree requirements for the EDD in Curriculum and Instruction – Learning and Development Concentration (pages 64-65)
 - e. Revised degree requirements for the BSED in Health and Physical Education (pages 66-67)
 - f. Revised admission requirements for the MAT in Health and Physical Education (pages 68-70)
 - g. Revised degree requirements for the MED in Health and Physical Education (pages 71-72)
 - h. Revised degree requirements for the EDS in Coaching Pedagogy in Physical Education (pages 73-74)
 - i. Revised degree requirements for the BSED in Elementary Education (pages 75-76)
 - j. Revised degree requirements for the BSED in Secondary Education (pages 77-78)
 - k. Revised degree requirements for the BSED in Special Education – Deaf and Hard of Hearing (pages 79-80)
 - l. Revised degree requirements for the BSED in Middle Grades Education (pages 81-83)
 - m. New course MGED 2000 (pages 84-96)
 - n. Revised course description MGED 4000 (97-98)

VALDOSTA STATE UNIVERSITY
ACADEMIC COMMITTEE MINUTES
February 10, 2020

The Academic Committee of the Valdosta State University Faculty Senate met in the University Center Rose Room on Monday, February 10, 2020. Dr. Sharon Gravett, Associate Provost for Academic Affairs, presided.

Members Present: Ms. Catherine Bowers, Mr. Brian Nelson (Proxy for Ms. Gabrielle Stellmacher), Dr. Candace Witherspoon, Mr. Joe Mason, Dr. Nicole Cox, Mr. Brian Nelson, Dr. Fleming Bell, Dr. Eric Chambers, Dr. Ray Elson, Dr. Ellis Heath, Dr. Yunseon Choi, Dr. Colette Drouillard, Mr. Chuck Conner, Mr. Chuck Conner (Proxy for Dr. Vicki Wetter), Dr. Laura Wright, and Ms. Amy Chew.

Members Absent: Dr. Michele Blankenship, Ms. Gabrielle Stellmacher, Dr. Diane Wright, Dr. Brian Sowa, Dr. Ben Wescoatt, and Dr. Vicki Wetter.

Catalog Editor: Dr. Jane Kinney.

Visitors Present: Dr. Bruce Mackh, Dr. Mary Fares, Mr. David Nelson, Dr. Brian Gerber, Mr. Michael Webster, Dr. Theresa Grove, Dr. Steve Downey, Dr. Doug Farwell, Dr. Michael Schmidt, and Mr. Ernest Smith.

The Minutes of the November 11, 2019 meeting were approved by email on November 15, 2019. (pages 1-6).

A. College of Business Administration

1. Revised academic transfer credit policy was approved effective Fall Semester 2020. (pages 7-9).

B. College of Nursing and Health Sciences

1. Revised admission requirements for the MS in Exercise Physiology was approved effective Fall Semester 2020. (pages 10-11).
2. Revised degree requirements for the MS in Exercise Physiology was approved effective Fall Semester 2020. (pages 2-14).
3. New course, Health Sci Exercise Physiology (HSEP) 7020, "Advanced Exercise Physiology II", (ADVANCED EXERC PHYSIOL II – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Spring Semester 2021 with the description changed to read ...master's degree...Physiology or consent... . (pages 15-22).
4. New course, Health Sci Exercise Physiology (HSEP) 7200, "Exercise and Nutrition as Medicine", (EXERC & NUTRITION AS MEDICINE – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Spring Semester 2021. (pages 23-30).

C. College of Science and Mathematics

1. Revised catalog copy for the College of Science and Mathematics was approved effective Fall Semester 2020. (pages 31-34).
2. New course, Engineering Technology (ENGT) 2010, "Introduction to Engineering Technology, (INTRO TO ENGINEERING TECHNOLOG – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read – Introduction to engineering...ethics; and problem solving using industry standard software. . (pages 35-42).
3. New course, Engineering Technology (ENGT) 2500, "Engineering Graphics for Design, (ENGINEERING GRAPHICS – 3 credit hours, 2 lecture hours, 2 lab hours, and 4 contact hours), was approved effective Fall Semester 2020 with the description changed to read – An introduction to engineering...visualization, geometric construction, graphical projection and sketching, descriptive geometry, and computer graphics. . (pages 43-48).
4. New course, ENGT 2520 (pages 49-52) was TABLED

D. College of the Arts

1. Revised admission requirements for the Master of Arts in Communication was approved effective Fall Semester 2020. (pages 53-54).
2. New course, Art (ART) 3010, "Design Thinking", (DESIGN THINKING – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read ...solving through design thinking. Coursework prepares... the last sentence was deleted. (pages 55-61).
3. New course, Art (ART) 3240, "Design Thinking for Entrepreneurship", (DESIGN THINKING ENTREPRENEUR– 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read ...computational thinking to solve human-centered problems and create... (pages 62-68).
4. Deactivation of the BFA in Emergent Media and Communication was approved effective Fall 2020. (pages 69-71).
5. Revised course title and description, Music Education (MUE) 3000, "Music Teaching", (MUSIC TEACHING – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Spring Semester 2021. (pages 72-73).
6. Deactivation of the MMED Masters of Music Education was approved effective Fall Semester 2020. (pages 74-75).
7. Deactivation of MUE 7000 and 7680 was approved effective Fall Semester 2020. (pages 76-77).

E. College of Education and Human Services

1. Revised requirements for the EDS in Educational Leadership – Tier II Certification was approved effective Fall Semester 2020. (pages 78-79).
2. Revised requirements for the MED in Instructional Technology – Corporate Concentration was approved effective Spring Semester 2020. (pages 80-81).
3. Revised requirements for the EDS in Educational Leadership was approved effective Fall Semester 2020. (pages 82-83).
4. Revised department narrative for MLIS was approved effective Fall Semester 2020. (pages 84-86).
5. Revised degree requirements for the MLIS was approved effective Fall Semester 2020. (pages 87-89).
6. Revised course title and prerequisite, Library Science (MLIS) 7730, "Preservation Management", (PRESERVATION MANAGEMENT – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020. (pages 90-91).
7. New course, Library Science (MLIS) 7680, "Understanding Information Behavior", (UNDERSTANDING INFO BEHAVIOR – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read ...information services information needs, information seeking,...user perspective are examined. Provides... (pages 92-99).
8. Revised course title, prerequisite, and description, Education Exemplary Teacher (EDET) 8020 "Teacher Leadership Residency I", (TEACHER LEADERSHIP RESIDENCY I – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020. (pages 100-102).
9. Revised course title, prerequisite, and description, Education Exemplary Teacher (EDET) 8040 "Teacher Leadership Residency II", (TEACHER LEADERSHIP RESIDENCY II – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020. (pages 103-105).
10. Revised course title, prerequisite, and description, Education Exemplary Teacher (EDET) 8050 "Teacher Leadership Residency III", (TEACHER LEADERSHIP RESIDENCY III – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020. (pages 106-108).
11. Revised course prerequisite, and description, Education Exemplary Teacher (EDET) 8880 "Capstone Seminar", (CAPSTONE SEMINAR – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read ...leadership degree. The course will emphasis integrating knowledge... (pages 109-111).
12. Deactivation of EDET 8001, 8002, and 8003 was approved effective Spring Semester 2021. (pages 112-113).

13. Revised requirements for the EDS in Teacher Leadership was approved effective Fall Semester 2020. (pages 114-116).
14. New course, Education Exemplary Teacher (EDET) 8005 “Foundations of Teacher Leadership”, (FOUNDATIONS OF TEACHER LDRSHP – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read – Admission to the Ed.S Teacher Leadership program. A survey of theories... . (pages 117-126).
15. Revised degree requirements for the MS in Psychology was approved effective Fall Semester 2020. (pages 127-129).
16. New course, Psychology (PSYC) 7050 “Consulting in Industrial-Organizational Psychology 1”, (CON I/O PSYC 1 – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read ...together on consulting initiatives, developing the necessary skills and knowledge to be successful as consultants. (pages 130-138).
17. New course, Psychology (PSYC) 7060 “Consulting in Industrial-Organizational Psychology 2”, (CON I/O PSYC 2 – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read ...initiatives, developing the necessary skills and knowledge to develop a consulting firm. (pages 139-147).
18. New course, Psychology (PSYC) 7080 “Group Dynamics”, (GROUP DYNAMICS – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read ...teams. The course covers... . (pages 148-156).
19. New course, Psychology (PSYC) 7090 “Organizational Development”, (ORGANIZATIONAL DEVELOPMENT – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read ...Instructor. An introduction to change and interventions in relation to individuals, groups, and organizations, including strategies for individual, interpersonal and group, and organizational change. (pages 157-164).
20. Reactivation, Revised course title and description, Psychology (PSYC) 8100 “Research Methods in I/O Psychology”, (RESEARCH METHODS IN I/O PSY – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read ...Instructor. An exploration of topics in Industrial-Organizational psychology. Students work together in teams to conduct empirical investigations. (pages 165-172).
21. Reactivation, Revised course title and description, Psychology (PSYC) 8110 “Psychometrics”, (PSYCHOMETRICS – 3 credit hours, 3 lecture hours, 0 lab hours, and 3 contact hours), was approved effective Fall Semester 2020 with the description changed to read ...Instructor. A study of Psychometrics including scale development... . (pages 173-181).

Respectfully submitted,

Stanley Jones

RECEIVED
FEB 18 2020
OFFICE OF THE REGISTRAR
VALDOSTA STATE UNIVERSITY

GPA requirement will have a one-semester probation period to continue their enrollment in the Honors College.

Global Experience and Understanding Requirement

All students in the Honors College must complete the Global Experience and Understanding requirement with an approved research activity, service learning assignment, or field experience. The semester-long commitment fosters understanding of global and cultural issues. In the spirit of the Honors interdisciplinary approach, research, service, and minor program activities will be considered. These activities must be approved by the Honors College.

Selected Educational Outcomes

Students will learn the arts of inquiry and conversation, culminating in structured research and creative endeavors, academic writing, oral presentations, and creative production.

Students will practice the organizational skills of collaboration, planning, and assessment, and the personal skills of self-discipline and task management, culminating in the capacity to guide or direct group-based work.

Students will understand the importance of civic involvement and giving back to the larger community, culminating in occasions of service that draw upon scholarship, creativity, and leadership capacities.

Students will incorporate an understanding of diverse global and cultural perspectives in their scholarly or creative inquiry, culminating in an international exchange of ideas and activities.

Students will incorporate an understanding of diverse disciplinary perspectives in their scholarly/creative inquiry, culminating in a collaborative, interdisciplinary project.

Examples of Outcome Assessments

Students will provide evidence of their accomplishments related to each area of the five educational outcomes previously listed and present the evidence in a portfolio. Students will participate in at least one research/creative endeavor forum to present their work.

Students will provide evidence of their understanding of global perspectives.

Students will provide documentation of and reflection on at least one sustained community service activity.

Students will complete a capstone project that will be presented at an interdisciplinary forum.

Requirements for the Certificate in University Honors in Interdisciplinary Studies

Code	Title	Hours
First Year		
HONS 1990	Honors Introductory Seminar	2

[cohort and students are expected to take HONS 1990 in their first semester as part of their provisional acceptance. After successfully completing HONS 1990 and approval of an Honors committee, students will be considered for full admittance into the Honors College and qualified for funding and benefits such as travel and research support. Incoming Honors students are expected to live and participate in the living learning community in Reade Hall, the designated Honors residence.](#)

Requirements for Graduation with the Certificate in University Honors

*29 equivalent hours in the Honors Curriculum as designated below. The Honors Curriculum is based on points rather than credit hours.

*3.5 or higher cumulative GPA, and a 3.0 or higher GPA in Honors curriculum courses. Students failing to meet the GPA requirement will have a one-semester probation period to continue their enrollment in the Honors College.

Selected Educational Outcomes

1. Students will learn the arts of inquiry and conversation, culminating in structured research and creative endeavors, academic writing, oral presentations, and creative production.

2. Students will practice the organizational skills of collaboration, planning, and assessment, and the personal skills of self-discipline and task management, culminating in the capacity to guide or direct group-based work.

3. Students will understand the importance of civic involvement and giving back to the larger community, culminating in occasions of service that draw upon scholarship, creativity, and leadership capacities.

4. Students will incorporate an understanding of diverse global and cultural perspectives in their scholarly or creative inquiry, culminating in an international exchange of ideas and activities.

5. Students will incorporate an understanding of diverse disciplinary perspectives in their scholarly/creative inquiry, culminating in a collaborative, interdisciplinary project.

Examples of Outcome Assessments

1. Students will provide evidence of their accomplishments related to each area of the five educational outcomes previously listed and present the evidence in a portfolio.

2. Students will participate in at least one research/creative endeavor forum to present their work.

3. Students will provide evidence of their understanding of global perspectives.

4. Students will provide documentation of and reflection on at least one sustained community service activity.

5. Students will complete a capstone project that will be presented at an interdisciplinary forum.

Two core Honors courses		5-8

Course List		

HONS 3990 and HONS 3999 may be taken to satisfy one of the Honors major requirements, with the approval of the major department and the Dean of the Honors College, and may satisfy elective credit for some majors. In addition, the Honors College offers a seminar and an independent study course (HONS 4000), which may satisfy elective credit or, in some cases, capstone requirements in a variety of major degree programs (must be approved by the Dean of the Honors College). All students in the Honors College must complete a capstone project that will be presented at an interdisciplinary forum.

Honors students may substitute an experiential learning project (HONS 2990) for an Honors major course requirement. All substitutions must be approved by the Dean of the Honors College. The Honors College provides specific guidelines for semester-long experiential learning projects on the Honors website.

Courses not listed as Honors may also be available for Honors credit through the Honors Option (HONS 3330). This option allows students to receive Honors credit while enrolled in regular courses by doing different types of assignments approved in advance by the instructor of the course and the Dean of the Honors College. Honors Options must be approved no later than the last day of the second week of classes.

Honors Leadership Activity	3
Honors Global Experience	3

HONORS PORTFOLIO

HONS 4990 Honors Senior Portfolio	1
-----------------------------------	---

Total Points 29

Honors Experiential Learning requirements

Students in the Honors College must complete Honors Experiential Learning activities with an approved research activity, service-learning assignment, or field experience. Experiential activities are a semester-long commitment that includes assignments and activities that engage students in problem-solving and real-world situations. These activities must be approved by the Honors College.

Experiential learning requires a full semester commitment of at least 45 hours with specified outcomes, a timeline of deliverables, and structured reflection. The Honors College assists students with the process of establishing and formalizing structured experiential learning opportunities to complete Honors requirements in service, leadership, and global understanding. Honors experiential learning activities must be approved by the Honors College and are listed as HONS 2990 Experiential Activities on the official university transcript. Examples of approved Honors experiential activities include:

- *Honors sanctioned experiential groups
- *Departmental experiential or service activities
- *Faculty supervised experiential or service projects
- *Departmental supervised internships
- *University or departmental leadership opportunities
- *Study abroad, study-away, and semester exchanges

Academic units may also offer Honors tracks for Honors Certification with specific embedded departmental requirements in the Honors curriculum.

HONS 3990 and HONS 3999 may be taken to satisfy one of the Honors major requirements, with the approval of the major department and the Dean of the Honors College and may satisfy elective credit for some majors. In addition, the Honors College offers a seminar and an independent study course (HONS 4000), which may satisfy elective credit or, in some cases, capstone requirements in a variety of major degree programs (must be approved by the Dean of the Honors College). All students in the Honors College must complete a capstone project that will be presented at an interdisciplinary forum.

Courses not listed as Honors may also be available for Honors credit through the Honors Option Contract. This option allows students to receive Honors credit while enrolled in regular courses by doing different types of assignments approved in advance by the instructor of the course and the Dean of the Honors College. Honors Options must be approved no later than the last day of the second week of classes.

[Students are required to complete HONS 4990 Honors Senior Portfolio and submit a portfolio with evidence of learning for successful completion of the Honors certification. The portfolio also requires materials from experiential activities to include evidence of learning, academic artifacts, and structured reflections. Honors certification requires a final review and approval of the senior portfolio by the Honors College.](#)

Justification: *(select one or more of the following and provide appropriate narrative below:)*

- | | |
|--|--|
| <input type="checkbox"/> Improving student learning outcomes | <input type="checkbox"/> Mandate of State/Federal/Accrediting Agency |
| <input checked="" type="checkbox"/> Adopting current best practice(s) in field | <input type="checkbox"/> Other – |

The changes reflect best practices in Honors education and aligns with other experiential-based programs in the Georgia Collegiate Honors Council. Other justification includes decreasing enrollment in Honors core seminars due to an increasing number of students taking advanced credit options in high school programs such as dual enrollment, AP, and IB. The changes also reflect the need to offer more experiential learning opportunities to support the VSU Strategic Plan, Goal #2.

Source of Data to Support Change *(select one or more of the following):*

- Indirect Measures; SOIs, student/employer/alumni surveys, etc.
- Direct Measures; Materials collected/evaluated for program assessment (tests/portfolios/assignments, etc.)

Plans for assessing course effectiveness/meeting program learning outcomes

(select one or more of the following and provide appropriate narrative below):

- Indirect Measures; SOIs, student/employer/alumni surveys, etc.
- Direct Measures; Materials collected/evaluated for program assessment (tests/portfolios/assignments, etc.)
- Other Data Source Descriptions –

The Honors senior portfolio documents student participation in experiential learning and HIPs. Honors also has a senior exit questionnaire that is used to shape the program and opportunities for future students.

score of 400 or higher (or equivalent) will be accepted as an alternative to the GRE.
evidence of Georgia licensure as a registered nurse.

three letters of recommendation from persons whose observations of the applicant's character and abilities are current. Letters of recommendation must be accompanied by the required General Graduate Recommendation Form.

NOTE: Admission to regular graduate status requires completion of a graduate-level statistics course.

Program Considerations for Probationary Status

Students must be recommended for Probationary status by the College of Nursing and Health Sciences Graduate Faculty. To be reclassified as Regular status, probationary students must, at a minimum, maintain a 3.0 grade point average in the first 9 semester hours of graduate coursework and meet any and all contingencies and conditions set forth by the College of Nursing and Health Sciences.

400 or higher (or equivalent) will be accepted as an alternative to the GRE.

[Evidence of a valid \(current, unencumbered\) nursing license](#)

Three letters of recommendation from persons whose observations of the applicant's character and abilities are current. Letters of recommendation must be accompanied by the required General Graduate Recommendation Form.

NOTE: Admission to regular graduate status requires completion of a graduate-level statistics course.

POST-MASTER'S CERTIFICATE PROGRAMS

In addition to the admission criteria listed above, applicants who have a Master's Degree in Nursing and graduated with at least a 3.0 GPA may be admitted to the department's Nurse Practitioner (FNP, AGNP, or FPMHNP) Post-Master's Certificate Program. Because these certification programs utilize past learning experience to satisfy some course requirements, programs of study are highly individualized and tailored to the needs of the students. Therefore, the applicant must meet with the School of Nursing's Graduate Nursing Program Director's to complete a gap analysis and design a program of study for post-master's requirements. Out-of-state applicants should become familiar with their state's regulations governing distance accessible programs.

TRANSFER CREDIT

Courses considered for transfer credit must: (1) be no more than 7 years of age at the time of admission, unless otherwise approved by the program; (2) be earned at an institution that is regionally accredited; (3) be graduate-level courses; and (4) not exceed specific program limitations on total number of hours. All transfer requests are subject to approval by the Associate Provost for Graduate Studies and Research.

The Graduate Catalog can be found at <http://catalog.valdosta.edu/graduate/>.

Program Considerations for Probationary Status

Students must be recommended for Probationary status by the College of Nursing and Health Sciences Graduate Faculty. To be reclassified as Regular status, probationary students must, at a minimum, maintain a 3.0 grade point average in the first 9 semester hours of graduate coursework and meet any and all contingencies and conditions set forth by the College of Nursing and Health Sciences.

<p>Program Retention, Dismissal, and Readmission Policies</p> <p>Students must have documentation of current malpractice insurance of \$1,000,000/\$3,000,000.</p> <p>Students must have documentation of current health and accident insurance.</p> <p>Students must have documentation of current certification in American Heart Association Healthcare Provider CPR.</p> <p>Students must maintain current licensure as a Registered Nurse in the State of Georgia.</p> <p>Students must provide evidence of current health status: Current physical examination (by a medical physician or nurse practitioner) on admission, affirming that they are free from communicable disease and able to function safely in a clinical environment.</p> <p>Immunizations: Documentation must include but is not limited to MMR (measles, mumps, rubella), tetanus toxoid, varicella titer, hepatitis-B vaccination, and PPD tuberculin test as required by affiliating clinical agencies.</p> <p>i. MMR, serologic evidence of immunity or prior vaccination.</p> <p>ii. Tetanus toxoid must remain up to date during tenure in the College of Nursing and Health Sciences. The CDC recommendations for healthcare personnel are utilized by our clinical agencies. Adults who have completed a primary series of a tetanus/diphtheria-containing product (DTP, DTaP, DT, Td) should receive Td boosters every 10 years. Students younger than age 65 years with direct patient contact should be given a 1-time dose of Tdap, if Td booster is scheduled prior to admission or during tenure in the College of Nursing and Health Sciences.</p> <p>iii. Varicella (chickenpox) requires serologic proof of immunity, prior vaccination, or documented history of varicella disease.</p> <p>iv. --	--

Students may be subject to background check and drug screening at any point during the program.

Students must have a minimum grade of "B" in all nursing courses.

Students must have a cumulative GPA of 3.0 for all graduate courses.

Students receiving two grades of "C" or below ("D," "F," "WF," or "U") will be dismissed from the program. If dismissed from the program, the student must wait a minimum of one calendar year and obtain approval from the academic department before applying for readmission. The academic program reserves the right to place specific conditions and contingencies on any offer of readmission. Readmission is not guaranteed, and prior academic performance and conduct in the program will be considered.

The maximum time allowed for completion of the master's degree is 7 calendar years. No work completed more than 7 years prior to degree completion will be accepted toward the degree, except with special permission from the student's major professor and the Dean of the College of Nursing and Health Sciences, and approval from the Associate Provost for Graduate Studies and Research.

No more than 9 semester hours of academic work may be transferred from another institution into a master's-level graduate program. This credit must be documented in the form of an official transcript at the time of admission. Transfer credit will be evaluated after admission, by the academic department. To be eligible, credit must be no more than 7 years old prior to completion of the degree.

Program Graduation Requirements

Students must complete an application for graduation one semester prior to their expected graduation date.

A 3.0 cumulative grade point average (GPA) is required for graduation. No grade below a "C" will be credited toward the degree.

Satisfactory completion of the comprehensive examination.

The College of Nursing and Health Sciences offers programs that lead to a Master of Science in Nursing (M.S.N.) degree or to a Master of Science (M.S.) in Exercise Physiology.

The Master of Science in Nursing Master's nursing education builds on baccalaureate nursing education and prepares nurses for specialized clinical roles. The M.S.N. program offers three clinical tracks: Advanced Nursing of Growing Families, Advanced Nursing of Adults, and Psychiatric/Mental Health Nursing. Four role options are available to graduate students: Care Manager, Nurse Practitioner, Nurse Educator, and Nurse Administrator. Graduate students must select one clinical track and one role option. The College offers a special curriculum for Registered Nurse applicants leading to the B.S.N. or to both the B.S.N. and M.S.N. Please contact the College directly for information about this accelerated curriculum. Both the bachelor's degree (B.S.N.) and the master's degree (M.S.N.) programs in the College of Nursing and Health Sciences are accredited by the Commission on Collegiate Nursing Education, One Dupont Circle, NW, Suite 530, Washington, DC 20036. Telephone 202-887-6791; Fax 202-887-8476. Questions about accreditation status may be addressed to this organization.

All students take a common core before entering the clinical and role options. The common core includes pathophysiology, research, theory, and an issues seminar.

seminar [advanced pharmacology, and advanced health assessment.](#)

MSN Program Objectives

Synthesize knowledge from a variety of evidence (conceptual models and theories from nursing and related disciplines, practice wisdom, and ethics) in advanced nursing practice.

Employ scientific inquiry and other ways of knowing to validate, refine, and develop knowledge relevant to advanced nursing practice and the delivery of health care services.

Effect health policy and promote change through leadership, innovation, and management expertise.

Practice advanced nursing in collaborative relationships across disciplines and with communities.

Demonstrate health care informatics literacy within the context of advanced nursing practice.

Promote culturally competent systems that reflect the global context of health.

Implement strategies for ongoing personal and advanced professional development through professional involvement, lifelong learning, and fostering an appreciation for doctoral study.

Examples of Outcome Assessments

Each student must pass a comprehensive examination which tests communication, critical thinking, advanced discipline knowledge, and the ability to synthesize.

Each student must demonstrate application of theory, practice, knowledge, critical thinking, and problem solving by completion of a thesis or project.

Justification: (select one or more of the following and provide appropriate narrative below:)

- Improving student learning outcomes
 Mandate of State/Federal/Accrediting Agency
 Adopting current best practice(s) in field
 Other –

Nurse practitioners must be able to demonstrate competencies in the comprehensive, integrated health care of patients. This curriculum, along with existing courses in the MSN program, provides population specific coursework necessary to meet the educational requirements of the APRN Consensus Model (ANCC, 2019). The National Organization of Nurse Practitioners Faculties (NONPF) has identified nationally validated core competencies for entry into practice for all nurse practitioners. The proposed changes are consistent with those core competencies. Additionally, students matriculating through the Nurse Practitioner tracks will meet the curriculum competencies of the American Academy of Colleges of Nursing (AACN) and the APRN Model of Regulation described in the Consensus model (2008). Students will obtain proficiency and efficiency to apply for certification to the American Nurses Credentialing Center (ANCC) and/or the American Academy of Nurse Practitioners Certification (AANP).

Justification: (select one or more of the following and provide appropriate narrative below:)

Improving student learning outcomes
 Mandate of State/Federal/Accrediting Agency
 Adopting current best practice(s) in field
 Other –

The Georgia Professional Standards Commission mandates that the appropriate state-approved Assessment of Educator Ethics – Program Entry be completed prior to enrollment for all initial teacher educator preparation programs. For this reason, we are adding it as an admission requirement for our initial teacher preparation programs at the graduate level. This is already an admission to teacher education requirement at the undergraduate level. The applicable exemptions for the GACE Program Admission Assessment are being removed from each programs' admission criteria and, instead, are being linked to a separate webpage that lists the exemptions in order to better manage the methods and offer resources for applicants.

REQUEST FOR A CURRICULUM CHANGE

Valdosta State University

Select Area of Change:

Core Curriculum Senior Curriculum Graduate Curriculum Other Curriculum

Specify: Area A,B,C,D,F

Current Catalog Page Number:

Proposed Effective Date for Curriculum Change:
(Month/Year): 8/2020

Degree & Program Name:
(e.g., BFA, Art): BBA

Present Requirements:

Required Accounting Core: 21 hours

ACCT 3201,
ACCT 3202,
ACCT 3400,
ACCT 4410,
ACCT 4500,
ACCT 4800
BUSA 3110

The grade in each of the courses must be a "C" or better.

General Electives :

(6 hours must be non-business) 6 hours

Proposed Requirements (Underline changes after printing this form:

Required Accounting Core: 21 hours

ACCT 3201,
ACCT 3202,
ACCT 3400,
ACCT 4410,
ACCT 4500,
ACCT 4800
BUSA 3110
ACCT 2999

The grade in each of the courses must be a "C" or better, with the exception of ACCT 2999 which will be assigned a grade of satisfactory or unsatisfactory.

General Electives:

(All hours must be non-business) 6 hours

Justification:

Select one or more of the following to indicate why the requested change will be beneficial, giving your justification. Include and/or append relevant supporting data.

- Improve student learning outcomes:
- Adopting current best practice(s) in field:
- Meeting mandates of state/federal/outside accrediting agencies: .
- Other: Recommended by the VSU Accounting Department and the VSU Accounting Advisory Board to insure that each accounting major has the opportunity to attend the annual fall recruiting event and interact with members of the professional community.

Source of Data to Support Suggested Change:

- Indirect measures: SOIs, student, employer, or alumni surveys, etc.
- Direct measures: Materials collected and evaluated for program assessment purposes (tests, portfolios, specific assignments, etc.) . Feedback from professional community attending event.

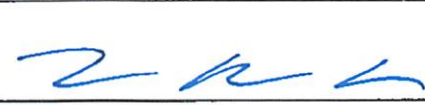

Plan for assessing the effectiveness of the change in meeting program's learning outcomes (i.e., how do these changes fit within the current program assessment plan and what sorts of data will be collected and evaluated to determine if these changes are meeting stated program outcomes?).

Data Sources:

- Indirect measures:** SOIs; student, employer, or alumni surveys, etc.
 Direct measures: Materials collected and evaluated for program assessment purposes (tests, portfolios, specific assignments, etc.) Signed acknowledgment of attendance at event.

We are changing the course prefix for our entry to the teaching profession course from multiple, subject-specific course prefixes into a single course prefix for all initial teacher majors. This change will allow us to expand our services to these students in this course by improving efficiencies. This course will be offered in both face-to-face and online options to increase student success in the course.

CS 4500	Formal Languages and Automata Theory	3
CS 4625	Network & System Security	3
CS 4635	Digital Forensics	3
CS 4900	Senior Seminar	3
Supporting Courses 11		
D.2.a Laboratory Science ("spillover" from Area F)		2
MATH 2150	Introduction to Linear Algebra	3
MATH 3600	Probability and Statistics	3
MATH 4651	Numerical Analysis I	3
	or MATH 4901 Operations Research I	
Electives 4		
Total Hours Required for the Degree 120		

Justification: (select one or more of the following and provide appropriate narrative below:)

- Improving student learning outcomes
 Mandate of State/Federal/Accrediting Agency
 Adopting current best practice(s) in field
 Other –

This is a new track off the existing computer science degree. When compared to the existing computer science degree, the only areas in the table above that are changing are the "Senior College Curriculum" and "Electives". The track consists of these courses: CS 3200, 3300, 3750, 4121, 4625, 4635. CS 3200 & 4121 were already required in the computer science degree, CS 3300 & 3750 were electives but are required for this track, and CS 4625 & 4635 are new courses developed for the track.

Source of Data to Support Change (select one or more of the following):

- Indirect Measures; SOIs, student/employer/alumni surveys, etc.
 Direct Measures; Materials collected/evaluated for program assessment (tests/portfolios/assignments, etc.)

Plans for assessing course effectiveness/meeting program learning outcomes

(select one or more of the following and provide appropriate narrative below):

- Indirect Measures; SOIs, student/employer/alumni surveys, etc.
 Direct Measures; Materials collected/evaluated for program assessment (tests/portfolios/assignments, etc.)
 Other Data Source Descriptions –

Courses assessed as a part of ongoing programming accreditation.

Valdosta State University Curriculum Form

• Request for a NEW COURSE

Date of Submission: 02/17/2020

*Course/curriculum change or addition originates with a faculty member or curriculum committee in the Academic Program.

College:	College of Science and Mathematics	Dept. Initiating Request:	Computer Science
Requestor's Name:	Sudip Chakraborty	Requestor's Role:	Faculty

Proposed NEW Course Prefix: <i>(Consult abbreviations in the catalog)</i>	CS	NEW Course Number: <i>(Consult #s in the catalog)</i>	4625
---	----	---	------

Proposed NEW Course Title:	Network and System Security
-----------------------------------	-----------------------------

NEW Course Title Abbreviation: <i>(Limit to 30 character spaces)</i>	Network and System Security
--	-----------------------------

Prerequisite(s):	CS 3750 and CS 4121 with a 'C' or better
-------------------------	--

Lecture Hours:	3	Lab/Contact Hours:	0	Credit Hours:	3
-----------------------	---	---------------------------	---	----------------------	---

Proposed NEW Course Description: *(Limit to 50 words. Include requisites, cross listings, special requirements, etc.)**

A survey on advanced theories and practices of cybersecurity, emphasizing hands-on experiments with cybersecurity tools; students work individually and in groups, within a controlled environment, to examine strategies of cyberattacks targeting a network or system and to test counter-measure techniques.

Program Level:	Course Classification:	Semester to be Effective:	Year to be Effective:	Estimated Frequency of Course Offering:
<input checked="" type="checkbox"/> Undergraduate <input type="checkbox"/> Graduate	<input type="checkbox"/> Core (Area A-E) <input type="checkbox"/> Major Requirement <input checked="" type="checkbox"/> Elective	<input checked="" type="checkbox"/> Fall <input type="checkbox"/> Spring <input type="checkbox"/> Summer	2020	Once per Year

Justification: *(select one or more of the following and provide appropriate narrative below:)*

- Improving student learning outcomes
- Mandate of State/Federal/Accrediting Agency
- Adopting current best practice(s) in field
- Other –

Cybersecurity is one of the most important domains within the Computer Science discipline. With the growing number of cyberattacks and current shortfall of trained cybersecurity professionals to detect/deter/prevent these attacks, a state-of-the-art program in Computer Science must have an objective to create potential future cybersecurity experts. Every graduate of a computer science program, irrespective of primary interest in cybersecurity, should be exposed to the current state of the cybersecurity techniques and tools. An advanced course, focused on hands-on experience with techniques and tools, will enable students to pursue higher-level avenues to become cybersecurity professionals. The computing accreditation boards (for example, ABET) also have created student outcome guidelines separately for cybersecurity program. Though we do not plan to create a separate cybersecurity program in near future, offering greater coverage on cybersecurity topics has become an essential need within our program.

CS 4625 Syllabus (Spring 2020) [CRN: xxxxx]

Course Number: CS 4625

Course Name: Network and System Security

Hours of Credit: 3

Dept: Computer Science, VSU

Class time & location: TBD

Class Location: TBD

Instructor: Dr. Sudip Chakraborty

Office Location: 1210 Nevins Hall

Office Telephone: 229-219-1341

Email: schakraborty@valdosta.edu

Office Hours: TBD

Course Description:

A course focused on advance theories and practices of cybersecurity, emphasizing hands-on experiments with cybersecurity tools; students work individually and in groups, within a controlled environment, to examine strategies of cyberattacks targeting a network or system, and to test counter-measure techniques.

Course Prerequisites: CS 3750 and CS 4121 with a “C” or better.

Text Book/Materials: No specific textbook is adopted. All recourses/materials are available on the Web or, are provided by the instructor. Students will also be instructed to research appropriate materials.

Assessment Scheme: Quizzes, Labs, and Assignments

Grade Scale:

A student’s final letter grade is based on total numeric score, on a 0-100 scale, obtained by the students. The letter grade is assigned according to the following scale:

- 90% and above in consolidated numeric grade = **A**
- 80% to less than 90% in consolidated numeric grade = **B**
- 70% to less than 80% in consolidated numeric grade = **C**
- 60% to less than 70% in consolidated numeric grade = **D**
- Less than 60% = **F** (Fail)

Course Policies:

- **Responsibility:** There can be certain activities (for example, “hacking” technique/tool) in the course which are executed only for learning purpose. Students should not be using them to cause any damage or service disruption to any system. If any such instance is identified, the student(s) solely will be held responsible and will face the necessary consequences as evaluated by the instructor and/or appropriate authorities (VSU IT/Security, Dept. Head, Dean, USG System, or State/Federal law enforcement).

- **Self-learning:** The course will demand good amount of self-learning or, self-exploration. The activities/assignments may require trial-and-error. Students are expected to devote time to try the activities as instructed and expand/augment the necessary knowledge/skills beyond the level they have been discussed.
- **Documentation:** It is important to document the steps executed in activities/assignments in terms of descriptions, screenshots, and logs (with timestamps). It is possible that a certain activity does not produce the desired result even after following the steps that are supposed to be followed. In that case, the documentation will decide the level of credit.
- **Assignments:** all assignments must be completed and submitted before the due date. Late submissions are not allowed. However, if a student cannot submit an assignment within the due date due to some unforeseen incident, he/she must provide a written documentation stating the proper reason to miss it. Upon reviewing the document the instructor will take appropriate grading decision. There will be no make-up assignment.
- **Quizzes:** all quizzes must be taken on the scheduled date. There will be no make-up quiz. If a student misses a quiz, he/she must provide a written documentation for his/her absence. If the absence is due to severe illness, death of immediate family members, appearance in court, or a personal situation that has been discussed and approved by the instructor, then appropriate arrangements will be made for the missed test. Otherwise a 0 will be assigned.
- **BlazeVIEW:** We will use the BlazeVIEW e-mail client as the primary way of communication, outside class, between the instructor and students. The students should ensure that their BlazeVIEW account is active and up to date. This syllabus is available on BlazeVIEW. All class-related announcements (change in schedule, cancellation of a class, announcement etc.) will be posted on BlazeVIEW. The students are responsible to check it regularly for any update/announcement/emails. In fact, they are strongly encouraged to enable the “Notification” (Email and/or SMS) features on BlazeVIEW. If the BlazeVIEW is down then the students may send emails to the instructor’s VSU e-mail id. Nonetheless, they must use their VSU e-mail id for any communication with the instructor.
- **Academic Honesty:** *Academic honesty and personal integrity are fundamental components of a student’s education and character development. The college expects that student will produce work representative of his/her own efforts and abilities, they will not cheat, lie, plagiarize, or commit other acts of academic dishonesty. All work should be done **individually, unless otherwise instructed.** The instructor reserves the right to compare works using both automated and manual methods. Students must be able to defend overly similar work. Cheating and plagiarism can result in **F** grade in the course. For more information on academic integrity, please refer to Student Code of Conduct – Section 1 of Students’ Handbook (<http://www.valdosta.edu/academic/AcademicHonestyPoliciesandProcedures.shtml>).*

Important Dates:

Events	Dates
First Day of Class	TBD
MLK Day (No class)	TBD

Midterm	TBD
Spring break (No class)	TBD
Last Day of Class	TBD

Withdrawal Policy (5 “W” Policy):

All undergraduate students are limited to five course withdrawal (“W”) grades for their **entire enrollment at Valdosta State University**. Once a student has accumulated five “W” grades, all subsequent withdrawals (whether initiated by the student in BANNER or initiated by the instructor on the proof roll) will be recorded as “WF.” The grade of “WF” is calculated as an “F” for GPA purposes. To get more details about this policy, students are strongly recommended to check the following link:

<http://www.valdosta.edu/academic/WithdrawalPolicy.shtml>

Title IX Statement:

Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. VSU is dedicated to creating an environment where all campus community members feel valued, respected, and included. Valdosta State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including pregnancy status, sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, national origin, disability, genetic information, or veteran status, in the University's programs and activities as required by applicable laws and regulations such as Title IX. The individual designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination policies is the University's Title IX Coordinator: Maggie Viverette, Director of the Office of Social Equity, titleix@valdosta.edu, 1208 N. Patterson St., Valdosta State University, Valdosta, Georgia 31608, 229-333-5463.

Access Statement:

Students with disabilities who are experiencing barriers in this course may contact the Access Office for assistance in determining and implementing reasonable accommodations. The Access Office is located in Farbar Hall. The phone numbers are 229-245-2498 (V), 229-375-5871 (VP) and 229-219-1348 (TTY). For more information, please visit VSU's Access Office or email: access@valdosta.edu.

Cybersecurity is one of the most important domains within the Computer Science discipline. Digital forensics is an important sub-domain of cybersecurity. Digital crime is on the rise. This has created a lot of demand for trained cybersecurity and digital forensics professionals. Hence, we propose this course to expose our students to this important subfield of cybersecurity.

**** Attach General Course Syllabus/Support documents with course outcomes/assessments ****

Source of Data to Support Change (select one or more of the following):

- Indirect Measures; SOIs, student/employer/alumni surveys, etc.
- Direct Measures; Materials collected/evaluated for program assessment (tests/portfolios/assignments, etc.)

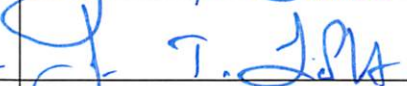

Plans for assessing course effectiveness/meeting program learning outcomes

(select one or more of the following and provide appropriate narrative below):

- Indirect Measures; SOIs, student/employer/alumni surveys, etc.
- Direct Measures; Materials collected/evaluated for program assessment (tests/portfolios/assignments, etc.)
- Other Data Source Descriptions –

Meeting of the learning outcomes and course effectiveness will be assessed through scores on assignments, quizzes, participation in lab activities, in-class surveys, and course-specific questions on SOI.

Spring 2020 Syllabus

Instructor	Dr. Krishnendu Roy	Phone	(229)259-2041 (w)
Office	NH - 2071	E-mail	kroy@valdosta.edu
Office Hours	M/W 14:00 – 15:30 And by appointment	Credit	3 hours
Class Location	NH 2109	Class Time	M/W 15:30-16:45

Course Description:

This course covers the fundamentals for digital forensic investigation and use of computer forensics tools. The course covers core forensics procedures to ensure court admissibility of evidence, as well as the legal and ethical implications. The course includes how to perform a forensic investigation and analysis on both Unix/Linux and Windows systems with different file systems.

Prerequisites:

None

Learning Outcomes:

After the successful completion of this course students will be able to:

1. Describe fundamental computer forensics concepts and procedures.
2. Explain how to recover hidden data for forensic analysis from Windows and Linux/Unix file systems
3. Apply digital forensic tools to discover, collect, preserve and analyze Windows and Linux/Unix digital evidence.
4. Explain how steganography tools work and how to use them to detect and possibly recover hidden information.
5. Document and report digital evidence to court.

Text Books:

None.

Software:

Students will be requested to install many software on their personal laptops during the duration of the course. Students are required to have their own laptops as it is not practical to install many of the software on VSU computers.

Assessment and Grading:

Attendance and participation	5%	Letter Grade	Credit
Several homework, projects, and labs	55%	A	90-100%
Midterm	20%	B	80-89%
Final	20%	C	70-79%
		D	60-69%
		F	0-59%

Tentative schedule for the first half:

- Week 1-2 — Introduction; Overview of Linux
- Week 3 — Forensic Fundamental
- Week 4-6 — Linux Acquisition
- Week 7-9 — Windows Acquisitions

Course Policies:

- **Attendance is mandatory.** You are expected to attend all scheduled classes and exams on time and stay for the full class period. **20% or more absences results in failing grade for the course.**
- Please turn off cell phones during class time. **Reading/sending text msgs. during the class is prohibited.**
- **When class is held in a computer lab, do not read email, surf the Internet or play games,** unless you are told to search the Internet for class materials. *A student caught using a computer for recreational purposes during class will be given a warning for the first infraction and will be asked to leave the class for subsequent infractions.*
- Cheating in an exam or assignment may result in an F in this course and other disciplinary actions from VSU.
- **There are no makeup quizzes or exams.** If you missed an exam, you must provide the written documentation for your absence. If your absence is due to one of the following types, then upon review of the written documentation and instructor's approval, the score on your final exam would be used to fill in for the missed test. If your absence is not excused or if you miss more than one exam, a score of zero will be recorded for that test.
 - Participation in a documented official university function that does not permit the student's class attendance (e.g., participation in athletic events, field trips, etc.)
 - Severe illness, a hospital stay, or a doctor's excuse saying that it is impossible for student to attend class(es)
 - Death of an immediate family member (grandparent, parent, sibling, or child)
 - Appearance in court
 - Personal situations that are approved by the instructor in advance of the time the student is to be absent.
- If you have any questions/comments about any graded material, for seeking clarification, you have up to a week from the day the graded material was returned to you. No grade will be changed after that.

Important Dates:

First day of class : January 13, 2020
 Last day of class : Monday, May 4, 2020
 Final : **Thursday, May 7, 2:45-4:45 pm**

Disability Accommodation:

Students with disabilities who are experiencing barriers in this course may contact the Access Office for assistance in determining and implementing reasonable accommodations. The access Office is located in Farbar Hall. The phone numbers are 229-245-2498 (V), 229-375-5871. For more information, please visit VSU's Access Office or email: access@valdosta.edu.

Student Opinion of Instruction

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available through SmartEvals. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrators, and they will be able to access results only after they have submitted final grades. Before final grade submission, instructors will not be able to see any responses, but they can see the percentage of students who have or have not completed their SOIs. While instructors will not be able to see student names, an automated system will send a reminder email to those who have yet to complete their SOIs. Students who withdraw or drop a course will also be sent invitations to complete the Dropped Course Survey. Complete information about the SOIs, including how to access the survey, is available on the SOI Procedures webpage.

Title IX Statement

Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. VSU is dedicated to creating an environment where all campus community members feel valued, respected, and included. Valdosta State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, disability, genetic information, or veteran status, in the University's programs and activities as required by applicable laws and regulations such as Title IX. The individual designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination policies is the University's Title IX Coordinator: The Director of the Office of Social Equity, titleix@valdosta.edu, 1208 N. Patterson St., Valdosta State University, Valdosta, Georgia 31698, 229-333-5463.

VSU Withdrawal Policy:

Effective Fall 2010, all undergraduate students are limited to five course withdrawal ("W") grades for their entire enrollment at Valdosta State University. Once a student has accumulated five "W" grades, all subsequent withdrawals (whether initiated by the student in BANNER or initiated by the instructor on the proof roll) will be recorded as "WF." The grade of "WF" is calculated as an "F" for GPA purposes. Visit <http://www.valdosta.edu/academic/WithdrawalPolicy.shtml> for more details.

Other Data Source Descriptions –

The MLIS program uses a set of student learning outcome assessments (SLOAs) to measure its success in developing students whose skills correspond to American Library Association's (ALA) Core Competences of Librarianship (2009), and to the expectations for entry-level professionals who hold ALA accredited master's degrees as directed in the Standards for Accreditation of Master's Programs in Library and Information Studies (2008). The curriculum is assessed based on the findings from this systematic assessment of student learning.

This catalog copy change reflects a change in the assignment for SLOA 2.2.

The advisor and student will jointly design a program of study based on the selected program of study.

Area D: Dissertation 9
 CIED 9999 and/or RSCH 9999
 Total Hours Required for the Degree 55-58

Justification: (select one or more of the following and provide appropriate narrative below):

Improving student learning outcomes Mandate of State/Federal/Accrediting Agency
 Adopting current best practice(s) in field Other –

Changes will enhance learning outcomes, especially as they relate to preparation as a researcher. Also, this will better align COEHS doctoral programs' curriculum for more consistent student outcomes across programs.

Source of Data to Support Change (select one or more of the following):

Indirect Measures; SOIs, student/employer/alumni surveys, etc.
 Direct Measures; Materials collected/evaluated for program assessment (tests/portfolios/assignments, etc.)

Plans for assessing course effectiveness/meeting program learning outcomes (select one or more of the following and provide appropriate narrative below):

Indirect Measures; SOIs, student/employer/alumni surveys, etc.
 Direct Measures; Materials collected/evaluated for program assessment (tests/portfolios/assignments, etc.)
 Other Data Source Descriptions –

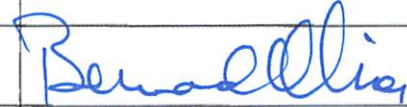

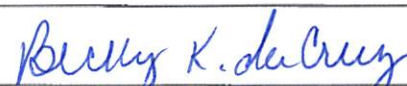

SOI's, student feedback, and faculty feedback will be tracked and used to determine effectiveness of change.

Justification: (select one or more of the following and provide appropriate narrative below:)

- Improving student learning outcomes
 Mandate of State/Federal/Accrediting Agency
 Adopting current best practice(s) in field
 Other –

We are changing the course prefix for our entry to the teaching profession course from multiple, subject-specific course prefixes into a single course prefix for all initial teacher majors. This change will allow us to expand our services to these students in this course by improving efficiencies. This course will be offered in both face-to-face and online options to increase student success in the course.

higher if taken before August 1, 2011)

TWO RECOMMENDATIONS

Submit two recommendations from professionals familiar with your professional or academic background. Download the recommendation form from the Graduate School website.

PERSONAL STATEMENT

Personal statement explaining what has led to your decision to become an educator. The statement should be no longer than 300 words.

Considering you are applying to a fully online degree program, describe (1) how this program will help you accomplish your career goals and (2) how your backgrounds, experiences, interests, or identities will add to the learning of other students within your cohort.

VERIFICATION OF LAWFUL PRESENCE

This documentation is not required for individuals who do not qualify for in-state tuition or a residency waiver.

This documentation must be received prior to enrollment (if applicable), NOT prior to admission.

Citizenship documentation is needed for any applicant who wishes to be considered for in-state tuition.

Complete list of accepted documents and information on residency.

*ADMISSION BY ALTERNATIVE PATHWAY REQUIREMENTS

Must have a minimum cumulative undergraduate GPA or combined undergraduate and graduate GPA of 2.5 on a 4.0 scale AND meet requirements for one of the following alternative pathways:

Alternative Pathway 1: Have a minimum GPA of 3.0 on a 4.0 scale in all coursework attempted while registered as an upper-division undergraduate student working towards a bachelor's degree (i.e. 3000 and 4000 level coursework); or

Alternative Pathway 2: Have a minimum GPA of 2.75 on a 4.0 scale in all graduate coursework (must have completed at least 6 credit hours of graduate work in which a letter grade was awarded); or

Alternative Pathway 3: Have an undergraduate GPA earned ten or more years prior to admission

MAT: 375

GACE PROGRAM ADMISSION ASSESSMENT (PREVIOUSLY GACE BASIC SKILLS)

Submit passing scores on the GACE Program Admission Assessment or exempt by acceptable SAT, ACT, or GRE scores.

EXEMPTION SCORES:

an SAT score of 1000 or greater, or

an ACT score of 43 or greater, or

a GRE score of 297 Verbal and Quantitative (or 1030 or higher if taken before August 1, 2011)

Alternative Pathway 3: Have an undergraduate GPA earned ten or more years prior to admission

Justification: (select one or more of the following and provide appropriate narrative below:)

- Improving student learning outcomes
 Mandate of State/Federal/Accrediting Agency
 Adopting current best practice(s) in field
 Other –

The Georgia Professional Standards Commission mandates that the appropriate state-approved Assessment of Educator Ethics – Program Entry be completed prior to enrollment for all initial teacher educator preparation programs. For this reason, we are adding it as an admission requirement for our initial teacher preparation programs at the graduate level. This is already an admission to teacher education requirement at the undergraduate level. The applicable exemptions for the GACE Program Admission Assessment are being removed from each programs' admission criteria and, instead, are being linked to a separate webpage that lists the exemptions in order to better manage the methods and offer resources for applicants.

--	---

Justification: (select one or more of the following and provide appropriate narrative below:)

- Improving student learning outcomes
 Mandate of State/Federal/Accrediting Agency
 Adopting current best practice(s) in field
 Other –

1. PSC/DOE/BOR rules require 15 hours per certification area (MGED students are required to have 2 certification areas). Currently, we have a “primary content” at 18 hours, and a “secondary content” at 15 hours. We are proposing a change to 15 hours in each area.

2. We are adding a new course “MGED 2000 Communication Course” focusing on writing for teachers. Effective written and verbal communication skills are essential to today's middle and secondary teachers and necessary to impact student learning and achievement in all content areas. Candidates must be prepared to meet the following standard. Georgia Department of Education (GaDOE) Teacher Performance Standard Performance Standard 10: Communication. The teacher communicates effectively with students, parents or guardians, district and school personnel, and other stakeholders in ways that enhance student learning.

3. We are removing “reading” as a concentration area. This aligns to most regional middle school schedules as reading is embedded in English/Language Arts classes. We do not have any current students with reading as a concentration area.

4. We are updating the course description and name of MGED 4000 to reflect the current content – Assessment for Middle Grades Education. This change is long overdue.

5. We are changing MGED 2999 to EDUC 2999 because this course is now being taught by one person, it improves efficiencies, and provides more support to students.

Written and Verbal Communication for Middle Grades Education
3 Semester Hours
Term/Year

Guiding Principles (DEPOSITS)

(Adapted from the Georgia Systemic Teacher Education Program Accomplished Teacher Framework)

Dispositions Principle: Productive dispositions positively affect learners, professional growth, and the learning environment.

Equity Principle: All learners deserve high expectations and support.

Process Principle: Learning is a lifelong process of development and growth.

Ownership Principle: Professionals are committed to and assume responsibility for the future of their disciplines.

Support Principle: Successful engagement in the process of learning requires collaboration among multiple partners.

Impact Principle: Effective practice yields evidence of learning.

Technology Principle: Technology facilitates teaching, learning, community-building, and resource acquisition.

Standards Principle: Evidence-based standards systematically guide professional preparation and development.

**National Professional Association/Accreditor Standards/Competencies/ Learning Outcomes
*InTASC Model Core Teacher Standards****

Standard #1: Learner Development. The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

Standard #2: Learning Differences. The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

Standard #3: Learning Environments. The teacher works with others to create environments that support individual and collaborative learning, and that encourage positive social interaction, active engagement in learning, and self-motivation.

Standard #4: Content Knowledge. The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make the discipline accessible and meaningful for learners to assure mastery of the content.

Standard #5: Application of Content. The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem solving related to authentic local and global issues.

Standard #6: Assessment. The teacher understands and uses multiple methods of assessment to engage learners in their own growth, to monitor learner progress, and to guide the teacher's and learner's decision making.

Standard #7: Planning for Instruction. The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.

Standard #8: Instructional Strategies. The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways.

Standard #9: Professional Learning and Ethical Practice. The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.

Standard #10: Leadership and Collaboration. The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.

Office Hours:

COURSE DESCRIPTION

Practice and application of techniques in verbal and written communication specifically for the middle and secondary classroom. The use of standardized English will be emphasized in speaking, reading, writing, and listening.

REQUIRED TEXTBOOKS/RESOURCE MATERIALS

Burgess, D. (2012). *Teach Like a Pirate: Increase Student Engagement, Boost Your Creativity, and Transform Your Life as an Educator*. San Diego, CA: Dave Burgess Consulting, Inc.

Casagrande, J. (2006). *Grammar Snobs are Great Big Meanies: A Guide to Language for Fun & Spite*. New York, NY: Penguin.

COURSE OBJECTIVES (CO):

Communication is essential to life and, not surprisingly, to teaching and learning. SEED 2000 is designed to assist teaching candidates in developing those communications skills requisite to successful middle and secondary classroom instruction. Verbal and written communications skills in standardized English will be emphasized. Candidates will perform a variety of communicative tasks, including (but not limited to) writing emails, memoranda, essays, and short research papers; public speaking in the form of class discussions, individual, and group presentations; and listening in the form of written and verbal feedback to the course instructor and colleagues. Class discussions and exercises will emphasize conventions of written and oral discourse (e.g. grammar, voice instruction) as well as communication theory, propaganda, and the analysis of various discursive scenarios.

Numbers in parentheses following objectives refer to InTASC Standards.

By the end of the semester, candidates will:

1. Develop communications skills (writing, speaking, listening) commensurate with the demands of classroom instruction and professional development in the field of education. (InTASC Standards 3, 5, and 9)
2. Identify and apply key vocabulary for the successful negotiation of professional learning environments. (InTASC Standard 3)
3. Identify key features of discourse communities together with methods of reconciling student diversity with the demands associated with standardized language usage. (InTASC Standards 1, 2, and 9)

COURSE ACTIVITIES/ASSIGNMENTS/REQUIREMENTS

Writing (40%)

Professional Email Portfolio: Students will compose a weekly email to the course instructor in which they (1) report on their training activities from the previous week and (2) set goals for the upcoming week and (3) self-assess for progress or regress in terms of their communications skills/confidence. Candidates will also be given “situational contexts” to respond to via email. After the instructor responds to the email, candidates will keep each mail and response in a separate e-folder in their email account. Emails will be evaluated for formatting, structure, grammar, spelling, and surface conventions.

Educational Manifesto: Students will compose a manifesto of their beliefs pertaining to public education and related matters of learning and human development. This is an informal/creative version of the philosophy of education that will come in later coursework. Manifestos will be evaluated for formatting, structure, grammar, spelling, and surface conventions.

I-Search Report (informal register): Students will research and compose a short research paper (1000-2000 words) on any topic or subtopic that both interests them and that emerges from the field of education (current issues, trends, research, theory, educational law, educational policy). This paper can be written in an informal style, utilizing first-person narrative technique. I-Search Reports will be evaluated for formatting, structure, grammar, spelling, and surface conventions.

Research Paper (formal register): Students will research and compose a 2nd short research paper (1000-2000 words) on any topic or subtopic that both interests them and that emerges from the field of education (current issues, trends, research, theory, educational law, educational policy). Research Papers will be written in a formal register, utilizing third-person narrative technique. Research papers will be evaluated for formatting, structure, grammar, spelling, and surface conventions.

Speaking (40%)

Reports on Research Papers: Students will present the findings from two research assignments to the class. Speaking presentations will be evaluated for structure, quality and accuracy of visual aids, voice, pacing, and physical presence.

My Manifesto!: Students will deliver an oral version of their educational manifesto to the class. Presentations will be evaluated on structure, voice, and physical presence.

In the News: Students will be assigned to groups of 3-4. Each group will research, write, and present a “newscast” to the class. Each individual’s role is to present material that represents his or her content area. Together, each of the groups should integrate the various content areas into a single coherent presentation of news (look for common themes). Groups will be assessed on the quality of the presentation: structure, quality and accuracy of visual aids, voice, pacing, and physical presence.

The Happening: Students will be assigned to groups of 2-5. Each group is responsible for staging a “happening” in a public venue and recording the event for presentation to the whole class. Groups will be assessed on the quality of the class presentation: structure, quality and accuracy of visual aids (video of event), voice, pacing, and physical presence.

Alone in the Spotlight: Students will create, write, and perform a song, poem, dance or any combination of these for the entire class. The topic is “my teaching metaphors,” and candidates are encouraged to create their performance piece from their self-perceptions as teachers-in-training and from their individual content areas and artistic interests and influences.

Case Studies in Hollywood Pedagogy: Students will each present a “teacher” (character) as represented in film or television. Utilizing clips from the movie or program as a basis for analysis, each presenter will discuss the character in terms of persona, teaching strategies, assessment strategies, dispositions, philosophy, and anything else pertinent to the themes associated with teaching and preparing to teach.

Listening (20%)

Peer Feedback Forms: Evaluation and constructive criticism are big parts of the teaching profession, and in this class students need to be active listeners and learners. For every presentation, audience members will be asked to complete a feedback form for individuals and groups. On the feedback forms they will provide their impressions of the presentation and suggestions for improvement. Feedback forms will be evaluated for completion.

Pop Quizzes on Discussion Prompts and Materials: Students will be randomly assessed for knowledge of class discussions, educational vocabulary, concepts, and terms. These short quizzes will be evaluated for completion and accuracy.

LATE WORK: NO LATE WORK WILL BE ACCEPTED. If you are going to miss class and you have an assignment due, it is your responsibility to get it to me. You can do this by sending it by another student or sending it to me via email. Professional ethics, behavior, quality, and timeliness are expected in all products and performances.

Grading Scale

A = 100 - 90	D = 69 - 60
B = 89 - 80	F = 59 - 0
C = 79 - 70	

ATTENDANCE POLICY

When students are compelled for any reason to be absent from class, they should immediately contact the instructor. As per the VSU Undergraduate Bulletin, "A student who misses more than 20% of the scheduled classes of a course will be subject to receiving a failing grade in the course."

PROFESSIONALISM

The following areas describe the professional expectations for all preservice students in the Department of Middle, Secondary, Reading, and Deaf Education.

Professionalism - Ethics

Educators are professionals guided by ethical commitments to their students, their families and to the communities in which they work. (See: The Code of Ethics for Educators at <http://www.gapsc.com/Rules/Current/Ethics/505-6-.01.pdf>).

Professional values of teachers include respect, integrity, collaboration, active participation, building alliances, resolving conflicts, and reflective, intellectual inquiry. It is expected that future teachers conduct themselves with the professionalism that is required of practicing teachers. If at any time a student's actions or attitudes are judged to be less than professional appropriate remedial action will be taken. You will participate in the Code of Ethics training conducted during the first week of the semester.

Professionalism – Dress code

In this course, classes are held in public schools. Professional dress code is required.

Professionalism - Communication

Effective written and verbal communication skills are critical to you as a professional educator as you interact with students, colleagues, administrators, and parents. Those individuals whose communication skills (verbal or written) indicate a need for assistance will be referred to the appropriate services on campus.

Professionalism - Assignments

All assignments should conform to the professional standards expected of university students. Papers must be typed, double-spaced in an appropriate font style and size with no spelling or grammatical errors. Assignments will be graded on content, composition, spelling, punctuation, and grammar. In papers, ideas obtained from sources must be documented using APA style.

Professionalism - Diversity

Professional educators are expected to embrace diversity. A variety of materials and instructional strategies will be used to meet the needs of different learning styles of diverse learners in the class. Students will be provided with opportunities to gain the knowledge, skills and understanding to provide effective instruction in multicultural classrooms. Mutual respect for people of diverse characteristics, beliefs, and abilities should be evident for all teacher candidates.

Professionalism - Technology

The College of Education is committed to preparing professional educators who are technology competent. As a result, technology has been infused into our education courses.

Professional Improvement Plan

The purpose of the Professional Improvement Plan (PIP) process is for faculty to identify students who may need remediation or intervention to successfully complete the professional requirements for their program of study. For more information see the [Professional Improvement Plan Process](#) on the COEHS website.

THE BLAZER CREED

Valdosta State University is a learning environment based on trust and mutual respect in which open dialogue, vigorous debate, and the free exchange of ideas are welcome. The University is equally dedicated to the core values of community, including a commitment to practice civility, integrity, and citizenship. As members of this community, and proud Blazers, we will strive to uphold these core values for the advancement of the University.

- Civility – A Blazer shows courtesy and compassion as well as respect for the dignity of every human being.
- Integrity – Each Blazer is responsible for his or her own actions, and our community is stronger when we contemplate the context of our decisions and uphold the principles of trust and honesty.
- Citizenship – Every Blazer has an interest in the well-being of the community, and, therefore, a duty to stay informed, to make positive contributions, and to offer support to those who need help.

As a Blazer, I pledge to uphold the core principles of Civility, Integrity, and Citizenship.
DEWAR COLLEGE OF EDUCATION & HUMAN SERVICES POLICY ON PLAGIARISM
<http://www.valdosta.edu/colleges/education/deans-office/policy-statement-of-plagiarism.php>

DEPARTMENT OF MIDDLE, SECONDARY, READING, AND DEAF EDUCATION STATEMENT ON ACADEMIC INTEGRITY

Educators are professionals guided by ethical commitments to their students, their families and to the communities in which they work. (See: The [Code of Ethics for Educators](http://www.nea.org/home/30442.htm) at <http://www.nea.org/home/30442.htm>). Professional values of teachers include respect, integrity, collaboration, active participation, building alliances, resolving conflicts, and reflective, intellectual inquiry. Future teachers should conduct themselves with the professionalism that is required of practicing teachers.

- In assignments and discussion postings, you should never provide names or identifying information about other people (students, other professionals, or parents). For confidentiality, you should use pseudonyms for students and should not identify schools unless you are using information that is publically available.
- All assignments should be your own original work, not group work. If you use ideas from other sources, you must provide a full citation using APA style – name(s) of author(s); date of publication or retrieval date; title of article/book/web page; name and location of publisher (book), name of journal, or URL of website. Do not share your work with others. If student A uses work from student B with or without permission, both students receive zero grades for the assignment.

DESCRIPTION OF ACADEMIC DISHONESTY

To ensure there are no chances for students to misunderstand what constitutes plagiarism, cheating, or prohibited collaboration across the University System of Georgia, this section will describe in some detail the behaviors which are viewed as academically dishonest.

While students are likely to understand plagiarism as stealing someone's words as their own, there are many types of plagiarism.

- **Stealing Verbatim:** This is exactly as it sounds. If, when composing an assignment, students take a sentence, a portion of a phrase, or even a unique expression which is not theirs, and submit it as their own (without quoting the original source), they have committed plagiarism. **Sentences that are verbatim or nearly verbatim (more than 70% match) should be both quoted and cited.**
- **Use of Professional Resources Without Acknowledgement.** Students may not use published professional resources; including lesson plans, learning activities, or PowerPoint presentations, without citing the source.
- **Misquoting:** If, when composing an assignment, students directly quote a source and cite it, but alter the author's words to strengthen their argument, they have committed plagiarism.
- **Paraphrasing or Summarizing Without Citing:** An allowable practice in academia is for students to take an author's words, change the words (without changing the meaning) so that it better fits their narrative. Paraphrasing goes beyond changing a couple of words. However, even when paraphrasing or summarizing another author's words, students *must* cite that

original source. If they do not cite the original source, they have effectively stolen the original author's idea and have committed plagiarism.

- **Duplicating Publication:** Students may not reuse or recycle any previous assignments used in another course, or in any other published venue, without the explicit permission from the course instructor. The instructors in the Master's Degree Program in Curriculum and Instruction do *not* allow students to reuse or recycle their assignments in any course. If students have done this, they have committed plagiarism.
- **Duplication of Peer Student Work:** Students may not submit assignments that duplicate in whole or part the work of other students, with or without the other student's express consent or knowledge.

Note: Assignments in this course may be checked electronically for plagiarism.

By taking this course, you agree that all required course work may be subject to submission for textual similarity review within BlazeVIEW and GOML. For more information on the use of Turnitin at VSU see **Turnitin for Students** (<http://www.valdosta.edu/academics/academic-affairs/vp-office/turnitin-for-students.php>).

TITLE IX STATEMENT

Valdosta State University (VSU) is committed to creating a diverse and inclusive work and learning environment free from discrimination and harassment. VSU is dedicated to creating an environment where all campus community members feel valued, respected, and included. Valdosta State University prohibits discrimination on the basis of race, color, ethnicity, national origin, sex (including pregnancy status, sexual harassment and sexual violence), sexual orientation, gender identity, religion, age, national origin, disability, genetic information, or veteran status, in the University's programs and activities as required by applicable laws and regulations such as Title IX. The individual designated with responsibility for coordination of compliance efforts and receipt of inquiries concerning nondiscrimination policies is the University's Title IX Coordinator: Maggie Viverette, Director of the Office of Social Equity, titleix@valdosta.edu, 1208 N. Patterson St., Valdosta State University, Valdosta, Georgia 31608, 229-333-5463.

ACCESS STATEMENT

Students with disabilities who are experiencing barriers in this course may contact the Access Office for assistance in determining and implementing reasonable accommodations. The Access Office is located in Farbar Hall. The phone numbers are 229-245-2498 (V), 229-375-5871 (VP) and 229-219-1348 (TTY). For more information, please visit VSU's Access Office or email: access@valdosta.edu.

ACADEMIC SUPPORT CENTER

The Academic Support Center (ASC) provides free peer tutoring in core curriculum courses, including, math, writing, sciences, social sciences, humanities, and foreign languages. The ASC also provides supplemental instruction (tutor-led study group sessions) for historically difficult courses like biology, chemistry, geosciences, psychology and sociology, as well as academic success workshops. New for fall 2018: 24/7 access to online tutoring through ThinkingStorm, which includes Writing Center where you can submit drafts for feedback and get help with core courses when the ASC is closed. Call 229-333-7570 to make an appointment, email us at asc@valdosta.edu or visit our website www.valdosta.edu/asc. Located in Odum Library.

MENTAL HEALTH AND WELLNESS

Diminished mental health, including significant stress, mood changes, excessive worry, or problems with eating and/or sleeping can interfere with optimal academic performance. The source of symptoms might be strictly related to your course work; if so, please speak with me. However, problems with relationships, family worries, loss, or a personal struggle or crisis can also contribute to decreased academic performance. VSU provides mental health services to support the academic success of students. The Counseling Center offers free, confidential services to help you manage personal challenges.

In the event I suspect you need additional support, I will express my concerns and the reasons for them, and remind you of campus resources (e.g., Counseling Services, Dean of Students, etc.) that might be helpful to you. My intention in doing so is to let you know I am concerned and that help, if needed, is available.

More information and resources are located at The Counseling Center website at: <http://www.valdosta.edu/student/student-services/counseling-center/>. Twenty-four hour emergency help is also available through the University Police at 229-259-5555 who will contact on-call counselors or appropriate resources for support.

Teacher Education Dispositions*

Teacher education dispositions refer to attitudes and beliefs about teaching and learning, and professional conduct and behavior. To assist in understanding dispositions, some of the common professional behaviors and characteristics that will be expected in this class are described more fully below.

Responsibility: Is present, punctual and prepared for classes and field experiences; completes assignments on time; is dependable; knows and follows instructor, university and school guidelines and handbooks; exhibits dress and grooming appropriate to setting; is self-directed; accepts responsibility for actions.

Communication: Uses appropriate language; demonstrates ability to speak and write clearly; uses Standard English in writing and speaking; demonstrates appropriate listening skills.

Interpersonal Skills: Demonstrates courtesy and respect for students, teachers, staff, peers, parents, and members of the community; works collaboratively with others; avoids disparaging and critical remarks; establishes positive rapport and appropriate relationships; shows appropriate sensitivity to all students; is open-minded, supportive and encouraging.

Classroom Characteristics: Is positive, enthusiastic, optimistic, patient, fair, empathetic, inquisitive, and resourceful; puts needs of students first; respects individual differences; demonstrates initiative and creativity; is committed to teaching and learning; demonstrates persistence in helping all children succeed; demonstrates awareness and caring attitude toward all students.

Judgment: Demonstrates maturity; exhibits self-control; handles stress appropriately; is able to adapt to change; is able to accept and express different points of view in appropriate manner; uses good judgment; accepts responsibility for own actions.

Ethics: Is truthful and honest; behaves ethically and legally in interactions with others; maintains confidentiality; respects intellectual property of others by giving credit where due; does not cheat or plagiarize; adheres to policies of university, schools and profession.

Self-Reflection: Engages in problem solving and self-evaluation; reflects on decisions made concerning students, teaching methods and subject matter; accepts constructive criticism in a positive manner; uses feedback to make improvements; strives for personal and professional growth.

*Adapted from Mississippi State University COE

Dispositions Contract

I have read and understand these professional dispositions and recognize their importance in this class and in the teaching profession.

Your Signature

Your Name – Printed

Date

Read the Student Contract carefully. After you have read and understood the course expectations, please sign the contract below.

Student Contract

I understand that my instructor and departmental faculty will communicate via the course email.

I understand the requirements for this course as detailed in the syllabus and the course outline, including due dates. The course schedule provides information about due dates, which must be followed. No late work will be accepted.

Communications Skills

Demonstrated mastery of formal Standard English and APA format are required in all aspects of the course. Assignments will be revised until these standards have been met, although points will be deducted each time. Mastery in electronic communication, including review/edit features, how to submit assignments, and how to attach files to emails, is expected. I must monitor course email regularly and inform the instructor of any email problems or changes.

Participation Policy

I am expected to participate in the activities of the course. This class is part of my professional preparation. Appropriate attitude, demeanor, and diligence are required, will be noted, and will be considered. When I am a peer reviewer, someone is depending on me to provide constructive criticism of their work in a timely manner.

Academic Integrity

All assignments must represent my original work. Although I am expected to research literature, I must not plagiarize. I will not plagiarize others, nor will I plagiarize myself by using material that I have submitted previously. I will appropriately cite any information from another author.

We are changing the course prefix for our entry to the teaching profession course from multiple, subject-specific course prefixes into a single course prefix for all initial teacher majors. This change will allow us to expand our services to these students in this course by improving efficiencies. This course will be offered in both face-to-face and online options to increase student success in the course.
