III. Business – Review of Institutional Effectiveness 2013-14 Plans and 2012-13 Reports

10/173= 5.7% IEPs/IERs submitted as of 09/24/2013

The due date for the reports is September 30, so we do not have that many to review today.

As they come in, we will upload in our Blazeview section so you can review them independently.

Today, each chair has 2 IERs/IEPs in place. Work independently for several minutes to read the reports, make comments on the attached evaluation form, then collaborate with the person next to you and compile your comments. If time permits, we will review them together.
