## Scholarships Available

Scholarships are a great way to help students pay for college without having to incur additional debt. Scholarships can come from any organization, such as a church, business, fraternity/sorority, government, etc. The VSU Foundation and University Scholarships are established by private donors and awarded each year to students with excellent academic achievement and/or those students with financial need.

## Apply in Scholarship Universe

VSU is happy to announce the availability of Scholarship Universe, a new scholarship search and application platform. Students can now apply for VSU and VSU Foundation Scholarships and search for external scholarships on one cloud based scholarship application system. We encourage students to search and apply for available scholarship options using Scholarship Universe.

The Scholarship Universe Applications for the 2024-2025 academic year will start to become available October 2, 2023. Check Scholarship Universe for opening and deadline dates for specific scholarships.

Students who have been accepted for admission can access Scholarship Universe using your VSU Log In Credentials.
