## Membership Dues

Below, you will find different options for becoming a member of SHRM. I'll quickly step through each to give you an idea of what it offers.

1. If you see yourself going into Human Resources directly after college, it is an advantageous decision to sign up to also be a member of SHRM National ([click here](#) to learn more). It is a great resource to network, attend outside workshops, and to familiarize yourself with Human Resources.
2. If you do not want to go into Human Resources but would like to benefit from SHRM's fantastic resources, then you can become a chapter member. In that case, you would only pay chapter dues.
3. We are starting a new virtual membership. If you are fully online and cannot attend meetings physically, this option will be for you. You will still get to take part in our speaker series and professional development workshops.

Dues	National Members	Non-National Members	Virtual Members
<b>VSU Chapter Dues (Paid to Treasurer)</b>	\$15	\$25	\$10
<b>SHRM National Dues (Paid Online)</b>	\$49	\$0	\$0
<b>Total Dues</b>	<b>\$64</b>	<b>\$25</b>	<b>\$10</b>
